4.	Dr. Rajiv Chintaman Yeravdekar	Member, Board of Governors				
5.	Dr. Kailash Sharma	Member, Board of Governors				
6.	Dr. Sangeeta Sharma	Member Secretary				

- Minutes of the Board of Governors meeting dated 06.06.2011 Confirmation of.
 The Board of Governors confirmed the minutes of May 06, 2011.
- 2. The Board of Governors held detailed discussion and also perused the list of the colleges where the show cause notices have been issued relating to duplicate faculty. Some new facts regarding the Regulation on applications for increase of seats in colleges which have not been recognised for running of MBBS/PG Diploma/PG Degree/Higher Speciality courses was brought to the notice of Board of Governors.

Relevant part of the Clause 3 of Part-II of the Regulation 2000 on Opening of a New or Higher Course of Study or Training (including postgraduate course of study or training) and increase of admission capacity in any course of study or training (including a postgraduate course of study or training) Regulations, 2000. deals with Qualifying Criteria which is as under:-

"3. <u>Qualifying Criteria</u>

The medical college/institution shall qualify to apply for increasing the number of admission in MBBS/PG Diploma/Degree/Higher Speciality Course in the existing medical college/institution if the following conditions are fulfilled:-

- 1. (1) The Medical College/Institution is recognised by the Medical Council of India for running MBBS/PG Diploma/PG Degree/Higher Speciality courses.
- (2) Medical College/Institution has received the formal permission of the Central Government under Section 10A of the Indian Medical Council Act, 1956 (102 of 1956) and has started

 No amendment has been made in the above said regulation permitting the college to apply for new or higher course of study without the colleges being recognised by the MCI for running MBBS/PG Diploma/PG Degree/Higher Speciality courses.

Legal Retainer opined that in the absence of any provision in the Regulation permitting the non-recognised medical college to apply for increase of seats, permission could not be granted to the colleges for increase of seats which are not recognised for running MBBS/PG Diploma/PG Degree/Higher Speciality courses.

In view of the specific provision in the Regulation, further in the absence of any amendment in the Qualifying Criteria of the above Regulation, the Board is not vested with power under Section 10A of I.M.C. Act, 1956 to entertain application for increase of seats in colleges which are not recognised for running MBBS/PG Diploma/PG Degree/Higher Speciality courses.

Section 10A of I.M.C. Act, 1956 also provides that the application for increase of seats has to be in accordance with the scheme framed under section 10A. The Regulation above mentioned framed under section 10A of I.M.C. Act, 1956 does not give liberty to the Board of Governors to entertain the application for increase of seats in undergraduate courses from the college which are not recognized by Medical Council of India. In my considered opinion, all such applications pending in the Medical Council of India for increase of seats in medical colleges which are not recognized for running MBBS/PG Diploma/PG Degree/Higher Speciality courses are liable to be rejected.

Thereafter, the Board decided to direct the Secretary, MCI not to issue any letter of permission/rejection without prior permission of the BOG on June 10, 2011. The BOG will review again the decisions based on the above information after obtaining legal opinion.

3. The Board of Governors perused the recommendations of the Undergraduate Medical Education Committee meeting held on 10^{th} June, 2011. The following decisions were taken:-

S.No	Name of college	Infrastructure	Equipment	Clinical Materials	Staff	Remarks	Decision of the BOG
	Agenda no 1: Items ag	ain referred by BC	G to UG Comr	nittee	1		
4	Establishment of a new medical college in the name of ICARE Institute of Medical Sciences & Research, Haldia, West Bengal by Indian Centre for Advancement of Research and Education, Haldia, West – Compliance verification assessment thereof.	·				The decision taken by UG committee on 3.6.11 stands as all deficiencies are rectified. The blood bank licence has been renewed till 22.5.2016 – vide Annexure X, number DCWB/PBB/BCRH/147-10/255/1 (1) dated 23.5.2011 Recommended	Approved
9	Increase of MBBS seats from 150 -250 at Stanley Medical College, Chennai – Academic year 2011-12 – Compliance verification assessment thereof.	Lecture theatres inadequate 2.Library seating capacity grossly inadequate. Number of books and journals less in number. 3.Residential quarters inadequate in number.			Faculty and Residents shortage.	Case reviewed by UG Committee – deficiencies pointed out in the meeting 25.4.2011 not rectified Not recommended	Not approved due to following reasons: 1. Lecture theatres inadequate 2.Library seating capacity grossly inadequate. Number of books and journals less in number. 3.Residential quarters inadequate in number. 4.Faculty and Residents shortage.
16	For recognition — approval of NMDC Government Medical College, Jagdalpur, Chhattisgarh under Pt.Ravishankar Shukla University, Raipur — Compliance verification assessment thereof.	No examination hall (against one required) Library seating capacity is 60 against 100 seats No. of journals not mentioned UHC RHTC under the state govt./CMO which should be under the dean Residential quarters nil				Deficiencies not rectified Assessors who did compliance verification on 30 th May 2011 have mentioned "distribution of OT tables" while MCI has stipulated absolute numbers of OTs required Not recommended	To check the letter written by Chief Secretary, Chhattisgarh. Case rereviewed as instructed by BOG. Deficiencies persist and are significant and cannot be overlooked Not recommended.

		against 53 required Boys-Girls Hostel 177 against 188 required Residents Hostel 10 against 74 required OTs available are 8 against 10+2 required ICU, PICU no. of beds short.					
33	Renewal of permission against the increased intake i.e. from 100-150 for MBBS course for 3rd Batch of Pt. Jawahar Lal Nehru Medical College, Raipur, C.G. under Chhattisgarh Ayush University of Health Sciences University, Raipur, Chhattisgarh — Compliance verification assessment thereof	Residential quarters, nurses hostel not available			Supervisory nursing cadres (NS and DNS still not available) Faculty shortage which was 22.8% which is still 10% Residents shortage which was 68% is now 35%	Deficiencies pointed out on 31.3.11 still not rectified Not recommended	To check for the status of PG students converted in the Senior Residents. This item was reviewed again— it is noted that the deficiencies in faculty and residents has been reduced. Renewal of permission against the increased intake i.e. from 100-150 for MBBS course for 3rd Batch may be granted. The college must make up the deficiencies before the 4 th batch renewal.
S.No	Name of college	Infrastructure	Equipment	Clinical Materials	Staff	Remarks	
2	Assessment of the physical and the other teaching facilities available for establishment of a new medical college in the name of Srinivas Institute of Medical Science & Research Centre, Surathkal, Mangalore by A Shama Rao Foundation, Karnataka u/s 10 (A) of the IMC Act, 1956, for the Academic year 2011-12 — Compliance verification assessment thereof.					Girls Hostel and faculty residential quarters arrangement has been made outside within 5 kms radius. Hostel under construction would be ready by 3 months. Staff quarters construction nearly complete.	Approved.

S.No	Name of college	Infrastructure	Equipment	Clinical Materials	Staff	Remarks	Decision of BOG
3	Assessment of the physical and the other teaching facilities available for establishment of a new medical college at Patna by Indira Gandhi Institute of Medical Sciences, Patna, Bihar u/s 10A of the IMC Act, 1956, for the Academic year 2011-12 — Compliance verification assessment thereof.
