1. (a) In relation to certain Declaration Forms submitted on behalf of the medical teachers and endorsed by the Principal of the medical college, it was observed/found that teaching experience shown in those Declaration Forms is incorrect and in certain cases, it was seriously doubted. The office of the Council had undertaken the exercise of verifying the individual particulars regarding the claimed teaching experience from the Medical institutions concerned and found their claim to be fake. The following teaching faculty cannot be considered as the experience certificates submitted by them are forged as shown below:

S.No.	Name	Designation	Department	Remarks
1.	Dr. V. Ravi Kumar	Assoc.Prof.	TB & Chest	In his declaration form, he has claimed that he has worked at JJM Medical College, Davangere from 24.10.92 to 10.8.98 as Asstt.Prof. In its letter, JJM Medical College, Davangere has stated that he has not worked at all in the institution. Thus, he has submitted a false and forged experience certificate and therefore cannot be accepted as a teacher.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council were, therefore, were clearly of the view that the Council should take steps for referring these cases to the Police authorities for registration of FIRs and conducting investigations in all such cases.
