3. Auditorium is not available. Common room for boys & girls are not available.
4. There are no residential quarters available within the campus for faculty, class III & IV employees.
5. In wards – Teaching facilities are not adequate. Teaching areas are not provided in OPD & wards.
6. There is no Medical Record Section. The records of indoor patients are kept in each department. No ICD X Classification of diseases is followed for indexing. Follow up services are not available.
7. All the operation theatres are not air conditioned.
8. There is no central suction and oxygen in ICCU and ICU.
9. Facilities and equipments in labour room are inadequate.
10. In CSSD department – No bowl sterilizer, no Glove inspection machine, no Ultrasound Instrument Cleaning Machine and no E.T.O. is available.
11. There is no EPABX available in the hospital.
12. Central laundry is not available.
13. Other deficiencies as pointed out in the inspection report.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to issue a show cause notice to the authorities of S.N. Medical College, Agra as to why the recognition for the award of MBBS degree should not be withdrawn u/s 19 of the IMC Act, 1956 and further decided to advise the institute to respond to the show cause notice within two months on receipt of the communication. Copy of the letter be also marked to DME of the concerned State Govt., Registrar of the University to which the college is affiliated and also to the member of MCI representing the State where the college is located.

**16. Continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Sri Bhausaheb Hira Govt. Medical College, Dhule.**

Read: The Council Inspectors report (7<sup>th</sup> & 8<sup>th</sup> Aug., 2008) for continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Sri Bhausaheb Hira Govt. Medical College, Dhule.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (7<sup>th</sup> & 8<sup>th</sup> Aug., 2008 ) and noted the following:-

1. Shortage of teaching faculty is as under:-
  - (a) The shortage of Residents is 35.13% as under :-
    - i) Sr. Resident 18 (Medicine-3, T.B.Chest-1, Skin & V.D.-1, Psychiatry-1, Paediatric-2, Surgery-3, Orthopadic-2, Obst. & Gynae.-2, Anaesthesia-3)
    - ii) Jr. Resident 8 (T.B.&Chest-1, Psychiatry-1, Surgery-3, Orthopadic- 2, Ophthalmology-1 )

2. Clinical Material is inadequate as under:-

|                                     | Daily Average |      | Day of Inspection 7/8/2008 |      |
|-------------------------------------|---------------|------|----------------------------|------|
| Operative work                      | 2             |      | 3                          |      |
| Number of major surgical operations | 1-2           |      | 0                          |      |
| Number of minor surgical operations | 16            |      | 10                         |      |
| Number of normal deliveries         | 2             |      | 2                          |      |
| Number of caesarian Sections        |               |      |                            |      |
| <u>Radiological Investigations</u>  | O.P.          | I.P. | O.P.                       | I.P. |
| X-ray                               | 36            | 15   | 54                         | 10   |
| Ultrasonography                     | 3             |      | 27                         |      |
| Special Investigations              | --            |      | --                         |      |
| C.T. Scan                           | 7             |      | 8                          |      |
| <u>Laboratory Investigations</u>    |               |      |                            |      |
| Biochemistry                        | 132           | 156  | 180                        | 75   |
| Microbiology                        |               |      |                            |      |
| Serology                            | 13            | 9    | 12                         | 1    |
| Parasitology                        | 1             |      | 1                          |      |
| Haematology                         | 97            |      | 96                         |      |
| Histopathology                      | 0             | 2    | 0                          | 4    |
| Cytopathology                       | 4             | 1    | 3                          | 0    |
| Others                              |               |      |                            |      |

Major surgical operation, Minor surgical operation, radiology investigations and laboratory investigations are low when compare to O.P.D. attendance and bed occupancy.

3. Health Centres: {i} 3 P.H.C.s: L.M.O. is not available. Messing facilities are not available. Lecture hall cum seminar room is not available. Lecture hall with A.V. aids is not available.  
{ii} P.H.C.: Teaching hall is not available.
4. Auditorium is not available.
5. Examination Hall is not available.
6. Common room for boys and girls is not available.
7. Resident/Interns hostel : There are no earmarked rooms for interns/residents. There is no warden room, visitor room, recreation room, kitchen or mess.
8. Dr. T.D. Khot is the Medical Superintendent. He has submitted certificate of Govt. of Maharashtra No.1306/P.C.122(3)/ Services-2, dated 31<sup>st</sup> may 2006 stating that he has worked as medical superintendent/civil surgeon in various hospitals for which duration is not mentioned.
9. Distribution of teaching beds in different specialties is as per council recommendations except that female patient of Skin V.D. and Psychiatry are kept in one ward – 10 beds, and Male patients of Skin V.D. and Psychiatry are kept in one ward – 10 beds. This type of arrangement is not acceptable. Patients of Skin & V.D. and Psychiatry should be kept in separate wards as early as possible.
10. (a) In O.P.D. Space available for O.P.D. is grossly inadequate. There is registration counter separate for male and female patients and waiting area is not available near these counters. There is no teaching space provided in the out-patient department. Students are not posted in the O.P.D. because of lake of teaching area. Teaching facilities like patient couch, stools, x-ray, view box, examination tray, etc. are not provided in each room. Audiometry room (soundproof but not Air-conditioned. There is no minor O.T. and plaster room in O.P.D. O.P.D. space is grossly inadequate and not suitable for teaching hospital.  
  
(b) In Wards: Most of the wards are over crowded.
11. Registration and Medical Record Section: It is not computerized. There is no waiting area near this counter Indoor registration counter is in casualty. It is not computerized.
12. Central Casualty Service: Central oxygen supply, central suction, defibrillator, pulse oximeter are not available.

13. Clinical Laboratories: There is no central clinical laboratory in the main hospital.
14. Operation theatre unit: O.T. is not having central oxygen & nitrous oxide supply and central suction. Resuscitation equipment is inadequate.
15. ICCU: There is no central suction and oxygen supply.
16. Medical, Surgical & Burns ICU are not available.
17. Neonatal ICU: There is no central oxygen and central suction.
18. Paediatrics ICU : It is not airconditioned. There is no central oxygen and central suction.
19. Radiological facilities: There is no IITV. There are two 60 MA mobile x-ray units out of which one is not working.
20. Central sterilization department: There is no central sterilization department. No other facility is available. The receiving and distribution points are not separate.
21. Intercom facilities : EPABX of hospital is not functioning.
22. Central laundry: There is a no mechanical laundry.
23. Kitchen services of dietician are not available.
24. Canteen: Canteen is not available
25. Incinerator: There is a no incinerator in the hospital. The segregation and collection of biomedical waste is not get it out in the hospital as per the guideline of pollution control board.
26. Nursing staff is grossly inadequate as under:-
 

|                                |      |
|--------------------------------|------|
| Nursing Superintendent:        | Nil  |
| Deputy Nursing Superintendent: | Nil  |
| Matron                         | Nil  |
| Asstt. Matron                  | Nil  |
| Tutor                          | Five |
| P.H.N.                         | Two  |
| Paediatric sister              | One  |
| Incharger Sister               | 22   |
| Staff Nurse                    | 115  |
| Other Nurses Staff             | 2    |
27. In Anatomy Department, dissection hall has 50 seats, 10 big and no small dissection tables.
28. In Pharmacology Department museum, there is no medicinal plant.
29. Pathology Department, there is no demonstration room. There is no separate clinical pathology practical laboratory.
30. Forensic Medicine Department, there is no demonstration room. Mortuary, Light, water supply, drainage facility are not satisfactory. It is not fly proof.
31. Community Medicine Department, there is no demonstration room.
32. Departmental libraries books are inadequate as follows: TB & Chest:18, Skin & V.D.:17, Psychiatry:11, and Paediatric:54, Orthopaedics:32, Oto-Rhino-Laryngology:37, Ophthalmology:67, Radio-Diagnosis:105 and Anaesthesia:39
33. Other deficiencies/remarks in the main report.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to give 2 months time to the authorities of Sri Bhausaheb Hira Govt. Medical College, Dhule to rectify the above deficiencies and submit the compliance within the stipulated period. Copy of the letter be also marked to DME of the concerned State Govt., Registrar of the University to which the college is affiliated and also to the member of MCI representing the State where the college is located.

**17. Continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at LTM Medical College, Mumbai.**

Read: The compliance verification inspection report (7<sup>th</sup> & 8<sup>th</sup> Aug.,2008) for continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at LTM Medical College, Mumbai.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report (7<sup>th</sup> & 8<sup>th</sup> Aug.,2008) and noted the following:-

1. The shortage of teaching staff required at present stage is as under:-

a) Teaching Faculty is 19.14% as under:-

|     |                     |    |  |
|-----|---------------------|----|--|
| i   | Professor :         | 3  | ( Physiology-1, Micro-1, ENT-1 )   |
| ii  | Associate Professor | 6  | ( Forensic-1, Med-1, TB-1, Ortho-2, ENT-1 )  |
| iii | Assistant Professor | 20 | Anatomy-2, Biophysics-1, Pharmachem-1, PSM Stat-1, Med-3, Surg-5, Ortho-4, OBG-1, ANMO-1, MWO-1, |
| iv  | Tutor :             | 7  | (Anatomy-4,Physiology-1, Forensic-1,Dentistry-1)   |

b) Residents is 18.85 % as under:-

|    |               |    |   |
|----|---------------|----|---|
| i  | Sr. Residents | 22 | (Med-5, Pediatrics-2, TB-1, Dermatology-1, Psychiatry-1, Surgery-3, Ortho-1, Anaesthesia-6, Radio-2 ) |
| ii | Jr. Residents | 1  | ( TB-1 )  |

2. There is only one UG Hostel combined for boys and girls. Accommodation for Boys-125, and girls- 81, Total 206 against the requirement of 500. Some quarters are used as hostel for 13 UG Girls and 36 Interns ( T/66/4,T/5/4,T/5/3 ). These quarters are not suitable for Human Stay. They are totally unhygienic and no cleaning is done. These students and interns need to be provided alternative hostel accommodation. Deficiency remains as it is.

3. There are 196 teaching beds in Surgery and 6 Units. Each unit has been allotted 30 beds and the staff is as per statement provided. The status is as follows.

Unit 1 & 4 has three fulltime faculty staff as per norms.

Unit 2 has deficiency 1 Asst.Prof.

Unit 3 has deficiency 1 Associate Prof and 1 Asst.Prof.

Unit 5 has deficiency of 2 Asst.Prof.

Unit 6 has deficiency of 1 Asst.Prof.

Total deficiency of Sr. Residents is 3

4. Anatomy : 10 MRI, 7 CT and 80 X-Ray films are displayed in the Museum by rotation.

5. Physiology: There is shortage of 1 Professor, 1 Tutor and 1 Lecturer in Bio-Physics. The laboratory has 50 workplaces.

6. Bio-chemistry: Professor is having Medical qualification. Still Non-Medical staff is 85%.

7. Pharmacology: There is deficiency of 1 Pharmaceutical Chemist. Posts of Tutors are filled up.

8. Pathology: There is no Demonstration room. Posts of Tutors are filled up.

9. Forensic Medicine: There is no laboratory. There is no Demonstration room. There is no separate Museum. There is shortage of 1 Associate Prof. and 1 Tutor. Deficiency remains as it is.

10. No accommodation for Interns is available at RHTC Vasind.

Facility of mess is not available.

Separate Teaching area is not available.

Shahpur which was shown as PHC has been upgraded as Sub divisional level Hospital and therefore it can not be considered as PHC.

11. Registration: Waiting area near the registration counter is not available. There is a common registration counter for OPD & Indoor cases and it is not computerized. Medical Record Deptt. Is also not computerized. No qualified M.R.O. Deficiency remains as it is.

12. O.P.D. Most of the specialties are not provided, separate teaching area. Deficiency remains as it is.

13. Ward: Most of the side laboratories in Ward are not functioning. There is overcrowding of beds in most of the wards. Deficiency remains as it is.

14. There is no incinerator, however there is a contract for Biomedical waste disposal common for Corporation hospitals. The in-house handling of Biomedical waste is not as per Biomedical waste disposal rules. Deficiency partially rectified.

15. Auditorium: Under construction. Deficiency remains as it is.

16. Examination Hall: Not available. Deficiency remains as it is.

17. Operation Theatre: Facilities of CCTV not available. Deficiency remains as it is.

18. Other deficiencies/remarks in the main report.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to give 2 months time to the authorities of LTM Medical College, Mumbai to rectify the above deficiencies and submit the compliance within the stipulated period. Copy of the letter be also marked to DME of the concerned State Govt., Registrar of the University to which the college is affiliated and also to the member of MCI representing the State where the college is located.

**18. Continuance of recognition of MBBS degree granted by Allahabad University, Allahabad in respect of students being trained at M.L.N. Medical College, Allahabad.**

Read: The Council Inspectors report (7<sup>th</sup> & 8<sup>th</sup> Aug., 2008) for continuance of recognition of MBBS degree granted by Allahabad University, Allahabad in respect of students being trained at M.L.N. Medical College, Allahabad.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (7<sup>th</sup> & 8<sup>th</sup> Aug., 2008) and noted the following:-

1. (a) The shortage of teaching faculty is 46.15% (shortage of 78 out of 169)
  - i) Professor 5 (1 Biochemistry, 1 Microbiology, 1 T.B. & Chest, 1 Orthopaedics, 1 Radiology)
  - ii) Associate Professor 23 (2 Anatomy, 1 Biochemistry, 1 Pharmacology, 2 Pathology, 1 Microbiology, 2 Forensic Med., 2 Community Med., 1 Paediatrics, 1 Psychiatry, 3 Surgery, 2 Orthopaedics, 1 ENT, 1 Ophthalmology, 2 Radiology, 1 Dentistry)
  - iii) Assistant Professor 44 (4 Anatomy, 3 Physiology, 1 Lect.Biochemistry, 1 Biochemistry, 2 Pharmacology, 1 Pharmachem., 3 Pathology, 1 Forensic Med., 1 Statistician, 1 RHTC, 1 UHC, 7 Medicine, 1 Paediatrics, 1 Psychiatry, 1 Orthopaedics, 6 Ophthalmology, 1 Obst. & Gynaecology, 1 ANMO, 1 MWO, 2 Anaesthesiology, 3 Radiology, 1 Dentistry)
  - iv) Tutor 06 (2 Biochemistry, 2 Microbiology, 1 Forensic Med., 1 Community Medicine)
- (b) The shortage of Residents is 36.36 % as under :-
  - i) Sr. Resident 28 (3 Medicine, 2 Paediatrics, 1 TB & Chest, 1 Dermatology, 1 Psychiatry, 3 Surgery, 1 Orthopaedics, 1 ENT, 3 Ophthalmology, 2 Obst. & Gynaecology, 6 Anaesthesiology, 4 Radiology)
  - ii) Jr. Resident 08 (3 Dermatology, 3 Psychiatry, 1 Ophthalmology, 1 Dentistry)
2. There is no medical record department.
3. There is no CSSD. Sterilization is done in respective OT's. Bowl sterilizer, Glove inspection machine, Ultrasound Instrument Cleaning Machine and E.T.O. are not available.
4. No EPABX is available.
5. Incinerator is not available.
6. In Biochemistry department – staff are not qualified as per MCI norms.
7. Blood bank is not under Pathology department.
8. Other deficiencies/observations as pointed out in the inspection report.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to issue a show cause notice to the authorities of M.L.N. Medical College, Allahabad as to why the recognition for the award of MBBS degree should not be withdrawn u/s 19 of the IMC Act, 1956 and further decided to advise the institute to respond to the show cause notice within two months on receipt of the communication. Copy of the letter be also marked to DME of the concerned State Govt., Registrar of the University to which the college is affiliated and also to the member of MCI representing the State where the college is located.

**19. Continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Govt. Medical College, Miraj.**

Read: The Council Inspectors report (31<sup>st</sup> July & 1<sup>st</sup> Aug., 2008) for continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Govt. Medical College, Miraj.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (31<sup>st</sup> July & 1<sup>st</sup> Aug., 2008) and decided that recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Govt. Medical College, Miraj be continued restricting the number of admissions to 100 (One Hundred) students per year.

**20. Continuance of recognition of MBBS degree granted by C.S.J.M. University, Kanpur in respect of students being trained at G.S.V.M. Medical College, Kanpur.**

Read: The Council Inspectors report (31<sup>st</sup> July & 1<sup>st</sup> Aug., 2008) for continuance of recognition of MBBS degree granted by C.S.J.M. University, Kanpur in respect of students being trained at G.S.V.M. Medical College, Kanpur.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (31<sup>st</sup> July & 1<sup>st</sup> August, 2008) and noted the following:-

1. (a) The shortage of teaching faculty is 52.4%( i.e. 151 out of 288) as under:-

|      |                     |    |   |
|------|---------------------|----|---|
| i)   | Professor           | 08 | (Anatomy -1, Physiology -2, Biochemistry -1, Microbiology -1, Forensic Medicine -1, General Surgery -1 & Paediatrics -1)  |
| ii)  | Associate Professor | 44 | (Anatomy -5, Physiology -4, Biochemistry -2, Pathology -4, Microbiology -1, Pharmacology -2, Forensic Medicine -2, General medicine -4. TB & Chest -3, Paediatrics -2, General Surgery -5, Orthopaedics -1, ENT -2, Obst. & Gynae. -1, Radio-diagnosis -3 & Anaesthesia -3 )  |
| iii) | Assistant Professor | 77 | (Anatomy -4, Physiology -3, Biochemistry -2, Pathology -5, Microbiology -2, Pharmacology -3, Forensic Medicine -2, Community Medicine -4, General Medicine -13. TB & Chest -5, Paediatrics -3, General Surgery -10, Orthopaedics -5, ENT -2, Ophthalmology -1, Obst. & Gynae. -6, Radio-diagnosis -4 & Anaesthesia -3 ) |
| iv)  | Tutor               | 22 | (Anatomy -3, Physiology -5, Biochemistry -2, Microbiology -3, Pharmacology -4 & Community Medicine -5)  |

- (b) The shortage of Residents is 31.2%(i.e. 51 out of 163) as under :-

|     |                 |    |  |
|-----|-----------------|----|--|
| i)  | Senior Resident | 45 | (General Medicine -5, Dermatology -1, Psychiatry -1, Paediatrics -3, General Surgery -6, Orthopaedics -4, ENT -2, Ophthalmology -1, Obst. & Gynae. -4, Radio-diagnosis -7 & Anaesthesia -11) |
| ii) | Junior Resident | 06 | (Dermatology -3 & Psychiatry -3)   |

2. Clinical material is grossly inadequate as under:-

| <u>Radiological Investigations</u> | O.P. + I.P.          | O.P.+I.P.                              |
|------------------------------------|----------------------|--|
| X-ray                              |                      |  |
| Ultrasonography                    | 2                    | 2                                      |
| Special Investigations             | 1.2                  | 1.2                                    |
| C.T. Scan                          | 01                   | 01                                     |
| <u>Laboratory Investigations</u>   |                      |  |
| Biochemistry                       | 118 patients per day | 112 patients on the day of inspection. |
| Microbiology                       |                      |  |
| Serology                           |                      |  |
| Parasitology                       |                      |  |
| Haematology                        |                      |  |
| Histopathology                     |                      |  |
| Cytopathology                      |                      |  |
| Others                             |                      |  |

- The record of individual laboratory investigation is not available. Only the number of patients who reported for lab investigations is recorded.
  - The admissions in associated hospitals are done through LLR hospital.
3. At RHTC, no lecturer cum medical officer having MD (PSM) is available. There is no residential accommodation available for girls. The hostel accommodation is non-functional. Messing facilities are not available. Lecture hall cum seminar room is not available. No beds have been provided. There is no labour room. Staff as prescribed under norms needs to be appointed. Lecture hall with A.V. aids needs to be provided.
4. OPD services are run daily in one session. No speciality is provided teaching area in the OPDs.
5. There is no ICCU and separate medical and surgical ICU. Paediatrics ICU with 08 beds & Neonatal ICU with 08 beds are available but are not equipped.
6. Blood Bank - It is licensed upto 31<sup>st</sup> December, 2006. The Institution has applied for renewal of license. Inspection for renewal is awaited.
7. Registration & Medical Record department is not computerized and not cross linked with outdoor registration numbers. ICD X Classification of diseases is not followed for indexing.
8. Protective measures as per BARC specification are not provided.
9. The para medical staff is grossly inadequate as under:-

|                        |    |
|------------------------|----|
| Laboratory Technicians | 07 |
| Laboratory Assistants  | -- |
| Laboratory Attendants  | 06 |

10. Nursing staff is grossly inadequate as under:-

|                                |     |
|--------------------------------|-----|
| Nursing Superintendent:        | --  |
| Deputy Nursing Superintendent: | --  |
| Matron                         | 02  |
| Asstt. Nursing Superintendent  | --  |
| Nursing Sisters                | 49  |
| Staff nurses                   | 107 |

11. There is no separate hostel for Interns.
12. Common room for boys and girls is not available.
13. There is no canteen in the hospital for staff, students and patients' relatives.
14. Other deficiencies/remarks pointed out in the inspection report.

15. There is no central oxygen in some areas of intensive care units.
16. No Clinical demonstration rooms are available in OPD and wards.
17. Residential Quarters: Total 29 quarters are available within the campus for the teaching faculty. The number of quarters available for non-teaching staff is 100%.
18. Other deficiencies/remarks in the main report.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to give 2 months time to the authorities of Armed Forces Medical College, Pune to rectify the above deficiencies and submit the compliance within the stipulated period. Copy of the letter be also marked to DME of the concerned State Govt., Registrar of the University to which the college is affiliated and also to the member of MCI representing the State where the college is located.

**24. Continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Nashik in respect of students being trained at NDMVP Samaj's Medical College, Nashik**

Read: The Council Inspectors report (13<sup>th</sup> & 14<sup>th</sup> Aug., 2008) for continuance of recognition of MBBS degree granted by Maharashtra University of Health Sciences, Mumbai in respect of students being trained at NDMVP Samaj's Medical College, Nashik together a letter dated 21.8.2008 received from the college authorities with regard to consideration of the teaching faculties who were leave on the day of inspection.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (13<sup>th</sup> & 14<sup>th</sup> Aug., 2008) together a letter dated 21.8.2008 received from the college authorities with regard to consideration of the teaching faculties who were leave on the day of inspection and noted the following:-

1. (a) The shortage of teaching faculty is 10% (14 out of 145)

- i) Professor 1 (Medicine)
- ii) Associate Professor 06 (Anatomy-1, Biochemistry-1, Pharmacology-1, Forensic Medicine-1, Medicine-1 and Paediatrics-1)
- iii) Assistant Professor 05, Anatomy-1, Physiology-1, Pharmacology-1 & P.& S.M.-2)
- iv) Tutor 02 (Pharmaceutical Chemistry-1 & Forensic Medicine-1)

(b) The shortage of Residents is more than 20%. (23 Out of 102)

- i) Sr. Resident 11 (Surgery-4, Orthopaedics-1, ENT-1, Radiodiagnosis-2 & Anaesthesia-3)
- ii) Jr. Resident 12 (Paediatrics-1, Surgery-4, Orthopaedics-5 & OB. & G-2)

2. Clinical Material is inadequate as under:-

|                              | Daily Average Range | Day of Inspection: 13-8-2008 upto 5.00 PM) |
|------------------------------|---------------------|--|
| Bed occupancy%               | 65 to 75%           | 65.00%                                     |
| Operative work               |                     |  |
| Number of normal deliveries  | 00 to 01            | 01   |
| Number of caesarian Sections | 00 to 01            | 00   |

- 3. There are no beds provided for TB & CD ward.
- 4. There is no animal house available within the college.
- 5. There is no central laundry service available.
- 6. There is no hospital kitchen & dietician available.
- 7. Blood bank is not functional.
- 8. Incinerator is not available.
- 9. Other deficiencies/observations as pointed out in the inspection report.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to give 2 months time to the authorities of NDMVP Samaj's Medical College, Nashik to rectify the above deficiencies and submit the compliance within the stipulated period. Copy of the letter be also marked to DME of the concerned State Govt., Registrar of the University to which the college is affiliated and also to the member of MCI representing the State where the college is located.

**25. Continuance of recognition of MBBS degree granted by Bundelkhand Univrsity, Jhansi in respect of students being trained at M.L.B. Medical College, Jhansi.**

Read: The Council Inspectors report (7<sup>th</sup> & 8<sup>th</sup> Aug., 2008) for continuance of recognition of MBBS degree granted by Bundelkhand University, Jhansi in respect of students being trained at M.L.B. Medical College, Jhansi.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (7<sup>th</sup> & 8<sup>th</sup> Aug., 2008) and noted the following:-

1.(a) The shortage of teaching faculty is 51.6% (i.e. 65 out of 126) as under:-

|      |                     |    |  |
|------|---------------------|----|--|
| i)   | Professor           | 02 | (Anatomy-1, Physiology-1)  |
| ii)  | Associate Professor | 19 | (Anatomy-1, Physiology-2,Bio-Chemistry-2, Pharmacology-2, Microbiology-1, Gen.Med.-2, Dermatology-1, Gen.Surg.-2,Ortho.-1,ENT-1, Ophthalmology-1, Obst.& Gynae-1, Radio-Diagnosis-2)   |
| iii) | Assistant Professor | 40 | (Anatomy-3, Physiology-2,Bio-Chemistry-2, Pharmacology-2, Microbiology-1,Pathology-1, FMT-1, PSM-3, Gen.Med.-4, Paediatrics-3 , TB & Chest-1, Psychiatry-1, Gen.Surg.-5,Ortho.-2, Ophthalmology-1, Obst.& Gynae-3, Radio-Diagnosis-2, Anaesthesia-2,Dentistry-1) |
| iv)  | Tutor               | 4  | (Anatomy-1, Physiology-2, Pharmacology-1)  |

(c) The shortage of Residents is 35.1% ( i.e. 26 out of 74) as under :-

|     |              |    |  |
|-----|--------------|----|--|
| i)  | Sr. Resident | 19 | Gen.Med.-2, Paediatrics-2 , TB & Chest-1, Psychiatry-1, Dermatology-1,Gen.Surg.-2, Ortho.-1, ENT-1, Obst. & Gynae-1, Radio-Diagnosis-3, Anaesthesia-4) |
| ii) | Jr. Resident | 7  | TB & Chest-2, Psychiatry-2, Dermatology-2, Dentistry-1)  |

2. Clinical material is grossly inadequate as under:-

|                                    | Daily Average |      | Day of Inspection |      |
|------------------------------------|---------------|------|-------------------|------|
| O.P.D. attendance                  | 671           |      | 712               |      |
| Bed occupancy%                     | 60%           |      | 60%               |      |
| <u>Radiological Investigations</u> | O.P.          | I.P. | O.P.              | I.P. |
| X-ray                              | 12            | 7    | 20                | 10   |
| Ultrasonography                    | 22            | 10   | 12                | 8    |
| Special Investigations             | -             | -    | -                 | -    |
| C.T. Scan                          | -             | -    | -                 | -    |
| <u>Laboratory Investigations</u>   |               |      |                   |      |
| Biochemistry                       | 24            | -    | -                 | 23   |
| Microbiology                       | 14            | -    | -                 | 12   |
| Serology                           | -             | -    | -                 | -    |
| Parasitology                       | -             | -    | -                 | -    |
| Haematology                        | 21            | -    | -                 | 146  |
| Histopathology                     | 1             | -    | 25                | 2    |
| Cytopathology                      | 1             | -    | -                 | 1    |
| Others                             | 7             | -    | 10                | 79   |

- The Radiology & laboratory workload is very low.
3. Space for teaching area is not available in any of the OPDs.
  4. Operation Theatres - TV with camera attachment is not available. Resuscitation and monitoring equipment is shared by the different O.T.s. There is no post operative ward.
  5. There is no Paediatric ICU.
  6. There is no MRI or CT Scan.
  7. There is no CSSD, Mechanised laundry, Canteen and EPABX.
  8. There is no incinerator available. There is no provision/ agreement with any organization for the disposal of the hospital bio-medical waste. The hospital bio medical waste is dumped in a pit.
  9. The availability of para medical staff of different categories is inadequate for the present stage as under:-

|                        |     |
|------------------------|-----|
| Laboratory Technicians | 12  |
| Laboratory Assistants  | Nil |
| Laboratory Attendants  | 32  |

10. There is no lecture theatre in the hospital. Clinical demonstration rooms are not available in OPD.
11. Hostels: All the hostels are in a dilapidated condition. There is no maintenance of the hostel building. The drains around the hostel are clogged and are stinking. There is seepage in the hostel rooms. The doors and windows are broken. The toilets and washrooms are dirty and have not been cleaned. The furniture is old and broken. Concrete slabs have been used as table and stools in the mess which are not clean. This makes the mess shabby and unhygienic. There is no class iv staff posted in the hostel.
12. Other deficiencies/remarks pointed out in the inspection report.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to issue a show cause notice to the authorities of M.L.B. Medical College, Jhansi as to why the recognition for the award of MBBS degree should not be withdrawn u/s 19 of the IMC Act, 1956 and further decided to advise the institute to respond to the show cause notice within two months on receipt of the communication. Copy of the letter be also marked to DME of the concerned State Govt., Registrar of the University to which the college is affiliated and also to the member of MCI representing the State where the college is located.

**26. Continuance of recognition of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at JJM Medical College, Davangere.**

Read: The compliance verification inspection report (6<sup>th</sup> Aug., 2008 ) for continuance of recognition of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at JJM Medical College, Davangere.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report (6<sup>th</sup> Aug., 2008) and decided that recognition of MBBS degree granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at JJM Medical College, Davangere be continued restricting the number of admissions to 245 (Two Hundred Forty Five) students per year.

**27. Continuance of recognition of MBBS degree granted by Chaudhary Charan Singh University, Meerut in respect of students being trained at LLRM Medical College, Meerut.**

Read: The Council Inspectors report (13<sup>th</sup> & 14<sup>th</sup> Aug., 2008 ) for continuance of recognition of MBBS degree granted by Chaudhary Charan Singh University, Meerut in respect of students being trained at LLRM Medical College, Meerut.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (13<sup>th</sup> & 14<sup>th</sup> Aug., 2008) and noted the following:-

1. (a) The shortage of teaching faculty is 46.29%
  - i) Professor 8 (Anatomy-1, Biochemistry-1, Microbiology-1, Forensic Medicine-1, Paediatrics-1, Orthopaedics-1, ENT-1, Radiology-1)
  - ii) Professor / Associate Professor 3 (TB & Chest-1, Skin & VD-1, Psychiatry-1)
  - iii) Associate Professor 24 (Anatomy-2, Biochemistry-1, Pathology- 2, Microbiology-1, Pharmacology-1, Forensic Medicine-1, Medicine-4, Pediatric-2, Surgery-3, Orthopedics-2, ENT-1, Ophthalmology-1, Radiology-1 & Anesthesia-2)
  - iv) Assistant Professor 36 (Anatomy-3, Physiology-2, Lecturer-in-Biophysics-1, Pathology-2, Pharmacology-1, Forensic Medicine-1, SPM-3, Epidemiologist-cum-Lecturer-1, Medicine-5, TB&Chest-1, Skin & VD-1,

|    |       |   |   |
|----|-------|---|---|
|    |       |   | Psychiatry-1, Pediatrics-1, Surgery-5,<br>Orthopaedics-1, Obst. & Gynae.-2, ANMO-1, MWO-1, Radiology-3) |
| v) | Tutor | 4 | (Physiology-1, Pharmacology-2, Forensic<br>Medicine-1,)   |

(b) The shortage of Residents is 35.29% as under :-

|     |              |    |   |
|-----|--------------|----|---|
| i)  | Sr. Resident | 25 | (Medicine-3, TB&Chest-1, Skin & VD-1,<br>Psychiatry-1, Pediatrics-2, Surgery-4, Orthopedic-1,<br>ENT-1, Ob&Gn-1, Radiology-4, Anesthesia-6) |
| ii) | Jr. Resident | 5  | (TB&Chest-2, Psychiatry-2, Dentistry-1)   |

2.(a) Clinical Material is inadequate as under:-

|                                  | Daily Average |    | Day of Inspection<br>13-08-2008 |    |
|----------------------------------|---------------|----|---------------------------------|----|
| Bed Occupancy                    | 42%           |    | 68%                             |    |
| <u>Laboratory Investigations</u> | OP            | IP | OP                              | IP |
| Biochemistry                     | 18            | 9  | 18                              | 23 |
| Microbiology                     | —             | —  | 3                               | —  |
| Serology                         | —             | -  | -                               | -  |
| Parasitology                     | —             | —  | —                               | —  |
| Haematology                      | 147           | 97 | 83                              | 20 |
| Histopathology                   | -             | -  | —                               | -  |
| Cytopathology                    | 5             | 11 | 17                              | 18 |
| Others                           |               |    |                                 |    |

- 2(b) The average bed occupancy is 42% and on day of inspection it is 68%. Radiological and laboratory investigations are low as compared to OPD attendance and bed occupancy.
- Number of journals subscribed Indian & Foreign are Nil.
  - Lecturer cum medical officer having M.D.{P.S.M.} is not available. L.M.O. is not available. The hostel building is not in a good condition. Nobody is staying in the hostel. It is very dirty. Mess facilities are not available. Transport is not provided to the students and staff. Lecture hall cum seminar room is not available. Investigation facilities for basic investigation exists, X-ray & ECG are not available. Staff as prescribed under MCI norms is not provided.
  - Central Photography cum Audio-visual unit not available.
  - There is no separate hostel for interns. Interns are accommodated in undergraduate students hostel. There are no designated reserved rooms for interns.
  - Distribution of teaching beds in different specialities is not as per council recommendations. There is a shortage of 20 beds in pediatric and 20 beds in Skin & VD.
  - Audiometry room is not sound proof & air conditioned.
  - There is a shortage of two clinical units in Medicine, one unit in Pediatric, two units in surgery and one unit in Orthopedics.
  - Registration and Medical Record Section: There is a common registration counter for O.P.D. and indoor cases in O.P.D. It is not computerized. Medical Record officer is M.Sc. in Mathematics, he is not having the required qualification. It is not computerised. ICD X Classification of diseases is not followed for indexing.
  - There is no central clinical laboratory in OPD. There are no arrangements for sample collection for Microbiological investigations in OPD.
  - ICUs burns, Paediatrics & Obst. & Gynae. are not available.
  - There is no canteen in the hospital for staff, students and patients' relatives.
  - Incinerator is not available.
  - In Animal House Veterinary officer is not available.
  - In most of the departments teaching staff is grossly inadequate for undergraduate and postgraduate teaching. Many departments are run without any senior teachers. These departments are running postgraduate courses also. Most of the departments are not having required qualified postgraduate teachers to run PG teaching.
  - Other deficiencies/observations as pointed out in the inspection report.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to issue a show cause notice to the authorities of LLRM Medical College, Meerut as to why the recognition for the award of MBBS degree should not be withdrawn u/s 19 of the IMC Act, 1956 and further decided to advise the institute to respond to the show cause notice within two months on receipt of the communication. Copy of the letter be also marked to DME of the concerned State Govt., Registrar of the University to which the college is affiliated and also to the member of MCI representing the State where the college is located.

**28. Continuance of recognition of MBBS degree granted by Kannur University in respect of students being trained at Academy of Medical Sciences, Parriyaram, Kannur.**

Read: The Council Inspectors report (13<sup>th</sup> & 14<sup>th</sup> Aug., 2008) for continuance of recognition of MBBS degree granted by Kannur University in respect of students being trained at Academy of Medical Sciences, Parriyaram, Kannur.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Council Inspectors report (13<sup>th</sup> & 14<sup>th</sup> Aug., 2008) and noted the following:-

1. The shortage of teaching staff required at present stage is as under:-

(a) The shortage of teaching faculty is 23.96 % as under:-

|                           |    |   |
|---------------------------|----|---|
| (i) Professor             | 03 | (Anatomy -1, Pathology -1 & Radio Diagnosis -1)   |
| (ii) Associate Professor  | 13 | (Anatomy -2, Physiology -1, Biochemistry -1, Pharmacology -1, Pathology -2, Microbiology -1, Forensic Medicine-1, Skin & VD-1, Orthopaedics-1 & Anaesthesia -2) |
| (iii) Assistant Professor | 12 | (Physiology -1, Lecturer in Biophysics-1, Pharmacology -1, Pathology-1, Forensic Medicine -1, Community Medicine -4, Anaesthesia -1 & Radio Diagnosis-2)        |
| (iv) Tutor                | 01 | (Pathology-1)   |

(b) The shortage of Residents is 31.76 % as under :-

|                   |    |   |
|-------------------|----|---|
| (i) Sr. Resident  | 03 | (General Surgery -2 and Radio Diagnosis-1)  |
| (ii) Jr. Resident | 24 | (General Medicine-8, Paediatrics-5, Skin & VD -2, Psychiatry -3, TB & Chest -3, Orthopaedics -1, Ophthalmology -1 & Obst. Gynea.-1) |

2. Clinical Material is inadequate as under:-

|                   | Daily Average | Day of Inspection |
|-------------------|---------------|-------------------|
| O.P.D. attendance | 640           | 661               |
| Bed occupancy %   | 38%           | 45%               |

3. There is deficiency of 20 beds in the department of Skin and VD as under:-

| Speciality | Required Beds/Units | Present Beds/Units |
|------------|---------------------|--------------------|
| Skin & VD  | 30/1                | 10/1               |

4. Health Centres: At RHTC, Messing facilities are temporarily not available. The labour room is available, but delivery services are not conducted presently.

5. At U.H.C., duty rosters and records of various activities and investigations are not maintained properly.

6. In many wards pantry is not available.

7. Registration and Medical Record Section: It is computerized but not net worked. There is a medical record department, it has 2 computers, but not cross-linked with the OPD. ICD X Classification of diseases is not followed for indexing and ready retrieval of information is not possible. Follow up service is not available.
8. Radiological facilities: only 03 static units (1 – 800 mA, 1 – 500 mA, 1 – 300 mA) and 3 mobile units (3 units of 2 X 60 and 1 X 50 mA) are available, which is inadequate.
9. Central sterilization department: Nil mixers are available. The receiving and distribution points are not separate.
10. In Pharmacology Department, museum graphs are not available
11. Pathology Department, Blood Bank is not under Pathology Department. The blood bank license for both whole blood and components expired in December 2007, for which the hospital had applied for renewal.
12. Departmental libraries are deficient as follows: TB & Chest: 60, Skin & V.D: 72 Psychiatry: 77.
13. Other deficiencies/remarks in the main report.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to give 2 months time to the authorities of Academy of Medical Sciences, Parriyaram, Kannur to rectify the above deficiencies and submit the compliance within the stipulated period. Copy of the letter be also marked to DME of the concerned State Govt., Registrar of the University to which the college is affiliated and also to the member of MCI representing the State where the college is located.

**29. Second Meeting of the Network of Medical Councils of the South East Asia Region, Chiang Mai, Thailand, 10-12 November, 2008.**

Read: The matter with regard to Second Meeting of the Network of Medical Councils of the South East Asia Region, Chiang Mai, Thailand, 10-12 November, 2008.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the letter dated 8<sup>th</sup> August, 2008 received from the Regional Director, World Health Organisation, New Delhi with regard to Second Meeting of the Network of Medical Councils of the South East Asia Region, Chiang Mai, Thailand, 10-12 November, 2008 and decided to nominate the President (Acting) and Dr. D.J. Borah, Chairman, Ethics Committee as two participants from the Council to attend the meeting.

**30. Problems related to recognition of MBBS/BDS degrees obtained in India in the Russian Federation.**

Read: The D.O. letter dt. 17.04.2008 from Sh. Rajiv Sinha, Counsellor (Edn), Embassy of India, Moscow addressed to Sh. Sunil Kumar, Joint Secretary Education, HRD Ministry, Department of Education, Shastri Bhawan with copy to this Council among others together with report of the Sub-committee with regard to problems related to recognition of MBBS/BDS degrees obtained in India in the Russian Federation.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council observed that a Sub-Committee comprising of Dr.D.K. Sharma, Chairman, Registration & Equivalence Committee, Dr. C.V. Bhirmanandham, Chairman, TEQ Sub-Committee and Dr. Ved Prakash Mishra, Member, Executive Committee was constituted at its meeting held on 13/14<sup>th</sup> June, 2008 in the matter of the D.O. letter dated 17.04.2008 received from Shri Rajiv Sinha, Counsellor (Edn), Embassy of India, Moscow with reference to problems related to recognition of MBBS/BDS degrees obtained in India in the Russian Federation.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered and approved the following report of the Sub-Committee:-

“ .....

*The D.O. letter dated 17.04.2008 from Shri Rajiv Sinha, Counsellor (Edn), Embassy of India, Moscow addressed to Shri Sunil Kumar, Joint Secretary (Edn.), Govt. of India, Ministry of HRD, Department of Education, amongst other things states as under:-*

*“ Please refer to our earlier letter dt. 22.1.2008, 3.1.2006, 8.2.2006, 10.4.2006, 10.5.2006 and 4.11.2006 (copies enclosed for ready reference) written by the Embassy in Moscow regarding problems related to recognition of MBBS/BDS degrees obtained in India in the Russian Federation and copies of Notes Verbale dt. 31.1.2008 & 22.2.2008 (copies enclosed for ready reference) addressed to the Ministry of Education and Science of the Russian Federation renewing the invitation to the Ministry to send a delegation of experts to India to discuss technical details of an agreement on equivalence of degrees leading to an agreement on “Mutual Recognition on Equivalency of Degrees/Diplomas.”*

*The Embassy held (April 2, 2008) a meeting with representatives from the Russian Department related to studies in Russian Medical Institutions under the Russian Ministry of Health and Social Welfare (HSW), section dealing with issues relating to studies by foreign citizens in Russian Medical Institutions, Department dealing with International Cooperation in HSW, Department of Supervision of Education & Science (ROSOBNADZOR) under the Russian Ministry of Education & Science, Department of International Cooperation, Ministry of Education & Science, I.M. Sechenov Moscow Medical Academy, and the People's Friendship University (PFU). At the meeting it was decided as under:-*

- *To establish working groups in respective countries comprising representatives from concerned Ministries/organizations (Health Ministry/Human Resources Ministry/MCI/DCI/AIU on the Indian side) to formulate an agenda (issues/technical points to be discussed) for a joint Indian-Russian meeting of experts on medical studies.*
- *Deadline for exchange of Agenda was fixed as May 30, 2008 with the Embassy to liaise between the two sides for exchanging agenda.*
- *The Russian side to hand over a draft agreement for consideration by the Indian side within one month. The Embassy to send the same over to the working group on receipt an agenda for a future meeting of Indian and Russian of experts on education in the two countries, including medical studies.*

*Judging by the tone and tenor of the meeting (April 2) it can be said that the Russian side appears quite amenable to resolving the issue of equivalence/mutual recognition of degrees at an early date.*

*It is requested that the matter be taken up on priority and progress be communicated to the Embassy for any follow up action.*

*In this connection, the Committee also noted that they had sought from the Council the Regulations on Minimum Qualifications for Teachers in Medical Institutions Regulations, 1998; Postgraduate Medical Education Regulations, 2000; Regulations on Graduate Medical Education, 1997 and Minimum Standard Requirements for the Medical College for 50/100/150 Admissions Annually Regulations, 1999, which have already been sent to them.*

*The core issue is that the students who are admitted to postgraduate courses in Russian Universities after completing their undergraduate courses in India face difficulties, as their Indian Degrees are not recognized as equivalent to the Russian ones. Consequently, some students have already returned to India without Post Graduate Diplomas, even though they completed their courses in Russia, as the Russian Education Ministry refused to issue equivalency certificates.*

*Pending negotiations on an inter-governmental agreement on the subject, the Indian Embassy is considering to work out modalities for 'temporary recognition' to help the students who have already enrolled in Post Graduate courses in Russia. The Embassy has also corresponded with MCI in regard to full details of the undergraduate courses to be presented to the Russian Education Ministry for issuing such temporary recognition. It is in this context that the Regulations were sought from the MCI which have been promptly made available.*

*Normally speaking, the recognition of medical qualifications granted by medical institutions in countries with which there is a 'Scheme of Reciprocity' is covered under the provisions included at Section 12 of the I.M.C. Act, 1956. Likewise, recognition of medical qualifications granted by certain medical institutions whose qualifications are not included in the I<sup>st</sup> or II<sup>nd</sup> Schedule are in terms of Section 13 of the I.M.C. Act, 1956. The procedure for recognition in terms of Section 12 & 13 respectively is incorporated in sub-provisions of the said Sections. This is the normal modality pertaining to the recognition of foreign medical qualifications. We do not have Russian qualifications covered under the scheme of reciprocity vide Section 12 of the I.M.C. Act.*

*In view of this the Indian medical qualifications not being taken as recognized by Russia, is a natural and logical consequence.*

*In view of the above, the modality which has been proposed in the communication from Shri Rajiv Sinha dated 17.04.2008 to the effect that it is proposed “to establish Working Groups’ in respective countries comprising representatives from concerned Ministries/organizations (Health Ministry/Human Resources Ministry/MCI/DCI/AIU on the Indian side) to formulate an agenda (issues/technical points to be discussed) for a joint Indian-Russian meeting of experts on medical studies is logical. It is also brought out that Russian side would hand over a draft agreement for consideration by the Indian side. The same would be sent by the Embassy to the ‘Working Group’ for further consideration in the matter.*

*The basic idea is in regard to constituting a ‘Standing Working Group’ with representatives from both the side for the purposes of evolving equivalency/recognition as would be appropriate on case to case basis. It is also brought out that the Indian side in the working group would comprise of representatives from the concerned Ministries/Organisations namely Health Ministry, HRD Ministry, MCI, DCI, AIU etc.*

*In this connection, the Committee also takes note of the fact that there has been a communiqué from the Ministry of HRD, Govt. of India, wherein it was informed that a ‘Standing Working Group’ has been constituted for the purposes of evolving equivalency/recognition between India and qualifications from France. The Council has also been asked to name its representative on the said standing working group. The task, which has been assigned to this working group is to evolve mutual recognition/equivalency of the various Degrees and Post Graduate Degree programmes in various streams including Medical and Dental sciences. The Council has already communicated the name of its nominee on the said joint working group.*

*In view of above, the Committee is of the considered opinion that the modality of ‘Standing Working Group’ has already been put in vogue as in case of France. The present exercise that has been brought out in the communication from Shri Rajiv Sinha dated 17.04.2008 is on similar lines. Hence, in the absence of recourse to modalities incorporated under Section 12 & 13, the proposed modality in regard to constituting the standing joint working group of the two countries for this very purpose can be said to be a working modality which would facilitate sorting out of the present issue of non-recognition of medical qualifications in Russia”.*

### **31. “Paramedical and Physiotherapy Central Council Bill – 2007”**

Read: The D.O. letter dated 13.05.2008 from Dr. S.C. Goyal DGHS, Nirman Bhavan, New Delhi alongwith copy of the report of the Sub-Committee with regard to Paramedical and Physiotherapy Central Council Bill – 2007

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council observed that a Sub-Committee comprising of Dr.D.K. Sharma, Chairman, Registration & Equivalence Committee, Dr. C.V. Bhirmanandham, Chairman, TEQ Sub-Committee and Dr. Ved Prakash Mishra, Member, Executive Committee was constituted at its meeting held on 13/14<sup>th</sup> June, 2008 in the matter of the D.O. letter dated 13.05.2008 from Dr. S.C. Goyal, DGHS, Nirman Bhavan, New Delhi with regard to the proposed “Paramedical and Physiotherapy Central Councils Bill – 2007.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered and approved the following report of the Sub-Committee:-

*“The present Committee came to be constituted by the Executive Committee of the Council at its meeting dated 13<sup>th</sup> & 14<sup>th</sup> June, 2008 while considering the D.O. letter dated 13.05.2008 from Dr. H.C. Goyal, Additional D.G.H.S., Directorate General of Health Services, Govt. of India, in regard to the proposed “Paramedical and Physiotherapy Central Councils Bill – 2007”. The Executive Committee desired that the Committee so constituted should go through the Bill and submit its report for further consideration of the Executive Committee.*

*The Committee at its meeting held on 05.05.2008 at 11.30 a.m. in the office of the Council perused the communication dated 13.05.2008 from Dr. H.C. Goyal addressed to the Secretary wherein amongst other things it has been brought out that Ministry of Health & F.W. has introduced “Paramedical and Physiotherapy Central Council Bill – 2007” in the Lok Sabha on 04.12.2007. The said Bill has been referred to the Parliamentary Standing Committee on Health and Family Welfare for comments. Rajya Sabha secretariat has invited suggestions in this regard from various stake holders all over the country. It is catalogued therein that the said Bill*

is to regulate and maintain proper & uniform standards of education for various disciplines of paramedics and maintenance of register of paramedics. The Ministry of Health and Family Welfare is said to have received several objections and suggestions in this regard and hence, it was thought appropriate by them to seek the opinion of the Medical Council of India with justification pertaining to important points which have been raised by various paramedical discipline associations.

The Committee therefore is restricting itself to furnishing its considered opinion in regard to the focused points that have been brought out in the communication referred to above. The said letter includes demands, which have been put in by Indian Association of Physiotherapy (IAP) in one group and those put in by Society of Indian Radiographers and Medical Lab Technical Staff Forum.

The Indian Association of Physiotherapy is demanding to replace the definition of physiotherapy as proposed in the Bill with the definition physiotherapy as given in Delhi or Maharashtra Councils of Physiotherapy and Occupational Therapy. The focused merit in the definition which has been proposed in the Bill would be with reference to the phrase "Medically Directed". The Committee is of the considered opinion that the practice of physiotherapy has to be under medical directions and the medical directions are the ones which are coming out of the learned expertise at the disposal of the medical practitioner by virtue of he/she possessing requisite medical qualifications included in the appropriate Schedules appended to the Indian Medical Council Act, 1956. The contour of the words "Medically Directed" have to be taken note of on the basis that the treatment which has been aimed is not with reference to a condition, but for the patient as a whole which contemplates holistic approach. In this context, holistic approach means the services as may be required under the directions of the medical practitioner can be incorporated as and when required. It is for this reason retention of the words 'Medically directed' in the definition as of now is advocated.

With reference to considering physiotherapy as "Physiotherapeutic System of Medicine" or a "Separate System of Medicine" like Ayurveda, Unani, Yoga, Homeopathy, Siddha, Modern system of Medicine to be included in the definition is untenable, in view of the observations given in the preceding para. The practice of physiotherapy therefore has to be under medical direction. As such, the grant of a separate system of medicine status to the same would be an antithesis to the observation in the preceding para.

Grant of equity to Physiotherapy graduates with MBBS, BDS and BAMS graduates, the Committee would like to restrict itself in regard to the MBBS graduates as the same squarely falls within its jurisdiction. By virtue of practice of physiotherapy under 'medical directions', the question of equity does not arise.

Further consideration pertains to use the prefix of word 'Dr' (Doctor) before their name for physiotherapists like medical doctors.

In this connection, the Committee would like to bring on record the decision that has been taken by the General Body of the Council. The Ethics Committee of the Council decided that the title "Doctor" may be used by the registered medical practitioners in the modern medicine, Ayurveda, Homeopathy and Unani. No other group of workers in the field of medical profession whether nursing or para-medical staff should use the title "Doctor".

The said recommendation of the Ethics Committee were adopted by the Executive Committee of the Council at its meeting held on 19.04.2003 wherein the Executive Committee further recommended that the same should be placed before the General Body of the Council for a policy decision thereon.

The General Body of the Council at its meeting held on 20.10.2003 decided that a legal opinion should be sought on the matter. Accordingly, the legal opinion was furnished by the Learned Counsel of the Council on 03.02.2004, wherein amongst other things it was brought out that the official stand of the Medical Council of India is correctly depicted by the decision taken by the Ethics Committee and approved by the General Body of the Council.

This was based on the basis of the provisions of Indian Medical Degrees Act of 1916 which clearly shows that the basic purpose of the said enactment was to ensure that certain persons are not permitted to pose to the public as possessing qualifications in medicine and surgery which they do not possess. The main focus is with reference to Section 6A of the Act wherein it has been clearly laid down that it is not permissible for any person to add to his name any title, discription, letter or abbreviation which imply that he holds degree, diploma, licence or certificate as his qualification to practice any system of medicine unless and until he actually holds such degrees, diploma or certificate.

*The entire issue was with reference to a query from one Dr. Edmund M. D'Couto who was Principal/Program-Director of KMCH College of Physiotherapy, Coimbatore. In the legal opinion it was advised that the said Principal of KMCH College of Physiotherapy be informed in unambiguous and unequivocal terms that a person holding any qualification in physiotherapy is not entitled to use the title of 'Doctor' as prefix.*

*It is further brought out in the said legal opinion that wherever any person found to be using the title of 'Doctor' as a prefix when such a person is holding a qualification in physiotherapy but not possessing any recognized medical qualification, he would be violating the provisions of Act of 1916 and as such he would expose himself for necessary action by filing or requiring the filing of a complaint in accordance with Section 7 of the 1916 Act for violation of Sections 6 and 6A of the extent applicable.*

*The said legal opinion was adopted by the General Body of the Council at its meeting held on 29.03.2004 and in terms of the decision Dr. Edmund M. D'Couto was informed of the said decision by a communication from the Deputy Secretary of the Council vide a communication dated 26.07.2004.*

*The Committee reiterates the decision of the General Body of the Council in regard to its operational effect and therefore a person with qualifications in physiotherapy is not entitled to use the prefix of 'Doctor' under any circumstances whatsoever. The observations of the Committee pertaining to medically directed has already been included in its opening observations and therefore does not call for any separate further elaboration.*

*The Society of Indian Radiographers and Medical Lab Technical Staff Forum have observed that the title of the Bill be changed to "Paramedical Council of India" or "Allied Health Professional Council of India" and removal of word 'Physiotherapy' from the title of the Bill. The Committee is of the opinion that the said observation is not called for in view of creation of separate Physiotherapy Council vide retention of words 'medically directed' in the definition of the word 'Physiotherapy'. As such, the considered opinion of the Committee is that Physiotherapists formed an integral part of the larger rubric of 'paramedic'."*

**32. The declaration of the institutions as (Deemed to be University) under the de novo category – consideration of Central Govt., Ministry of HRD, New Delhi letter dt.13.08.2008.**

Read: The D.O. Letter dt. 13.08.2008 received from the Central Govt. Ministry of HRD, New Delhi with regard to declaration of the institutions as (Deemed to be University) under the de novo category.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council perused the D.O. letter No. F.9-48/2006-U.3(A)(pt), dated 13.8.2008 which reads as under:-

*"While dealing with applications for declaration of institutions to be deemed to be universities under section 3 of the UGC Act, 1956, the Central Government is required to obtain the advice of the UGC. The UGC in turn forms Experts' Committees and also consults the various Statutory Councils responsible for different sectors of higher and professional education for valuable inputs. While ordinarily, only those institutions which have long years of standing, high standards of credibility, etc. are considered for being declared as institutions "deemed-to-be-universities", and the UGC has put in place a set of regulations for the purpose, in respect of institutions imparting education and engaged in research in certain emerging areas of knowledge, the UGC makes commendations in what it calls the **de novo** category where certain exemptions from the normal requirements of years of existence, etc. are permissible.*

2. *In order to ensure that such exemptions are not misused by applicant-institutions, it is highly desirable that statutory councils offering their comments to the UGC on such proposals under the de novo category satisfy themselves that the areas of knowledge in which programmes are offered by such institutions claiming de novo status, are indeed emerging areas of knowledge.*

3. *The Hon'ble HRM has observed on some files pertaining to applications seeking the status of "deemed-to-be-university", as under:-*

*"I am constrained to observe that we are yet to evolve some mechanism by which standards or guidelines are prescribed in emerging areas of knowledge".*

4. *Further, in order to ensure that there is consistency in the treatment of proposals seeking status of "deemed-to-be-university", the Statutory Councils may identify apparently emerging areas of knowledge considered to be de novo programmes thereby justifying the applicant institutions to be considered in the de novo category. Similarly, in the interest of a consistent treatment of such applications, Statutory Councils may also prescribe certain standards so that the advice tendered by the UGC to the Central*

*Government is consistent with the purpose of the UGC Act which is for the co-ordination and determination of standards in universities.*

5. *I would, therefore, urge that the UGC and the Statutory Councils set in motion the process of identification of all emerging areas of knowledge in their respective spheres either on their own or through formation of Experts Committees for the purpose and prescribe appropriate standards, howsoever rudimentary, in such emerging areas against which advice could be tendered by the UGC to the Central Government, for declaration of the institutions as 'deemed – to – be universities' under the de novo category.*

*With regards,*

*Yours sincerely,  
Sd/-  
(Sunil Kumar)*

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to constitute a Sub-Committee of the following members for the purposes of identifying the emerging areas with regard to the declaration of the institutions as (Deemed to be University) under the de novo category:-

1. Dr. P.N. Tandon
2. Dr. Sneha Bhargava
3. Dr. Ved Prakash Mishra
4. Dr. Indrajit Ray

### **33. Implementation of Environmental Studies in all UG professional course –reg.**

Read: The letter dt. 20.06.2008 received from the Registrar, University of Calicut, Kerala with regard to Implementation of Environmental Studies in all UG professional course –reg.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the letter dt. 20.06.2008 received from the Registrar, University of Calicut, Kerala with regard to implementation of Environmental Studies in all UG professional course and decided to refer the matter to the Curriculum Committee-cum-Academic Cell.

### **34. To amend the MCI Act, 1956 to enable the registered Overseas Citizens of India to register themselves with MCI and practice in India.**

Read: The D.O. letter dated 23.06.2008 received from Shri D.N. Srivastava, the Joint Secretary, Ministry of Overseas Indian Affairs, New Delhi with regard to amend the MCI Act, 1956 to enable the registered Overseas Citizens of India to register themselves with MCI and practice in India.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the D.O. letter dated 23.06.2008 received from Shri D.N. Srivastava, Joint Secretary, Ministry of Overseas Indian Affairs, New Delhi with regard to amend the MCI Act, 1956 to enable the registered Overseas Citizens of India to register themselves with MCI and practice in India and decided to take legal opinion in the matter.

### **35. Continuance of recognition of MBBS degree granted by the Tamil Nadu Dr. MGR University of Health Sciences in respect of students being trained at Perundurai Medical College, Perundurai.**

Read: The compliance verification inspection report (13<sup>th</sup> August, 2008 ) for continuance of recognition of MBBS degree granted by the Tamil Nadu Dr. MGR University of Health Sciences in respect of students being trained at Perundurai Medical College, Perundurai .

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report (13<sup>th</sup> August, 2008 ) and noted the following:-

1. The shortage of teaching staff required at present stage is as under:-

(a) The shortage of teaching faculty is 34.48% (i.e. 30 out of 87) as under:-

- (i) Professor 07 (Anatomy-1, Biochemistry -1, Pharmacology-1, Pathology-1, Forensic Medicine -1, Community Medicine -1, Radio Diagnosis-1 )
- (ii) Associate Professor 12 (Anatomy-1, Physiology -1, Pharmacology -1, Microbiology -1, Forensic Medicine -1, General Medicine -1, Paediatric-1, TB & Chest-1, Psychiatry-1, Orthopaedics-1, Obst & Gynae. -1, Radio Diagnosis-1 )
- (iii) Assistant Professor 11 ( Biochemistry -1, Pharmacology -1, Pathology -1, General Medicine -1, Psychiatry-1, Ophthalmology -1, ANMO-1,MWO-2, Radio Diagnosis-1, Epidemio-1)
- (iv) Tutor Nil

(b) The shortage of Residents is 38.35% (i.e. 28 out of 73) as under:-

- (i) Sr. Resident 10 (General Medicine -1, Dermatology -1, General Surgery -3, Orthopaedics -1, ENT-1, Obst. & Gynae. -1, Radio Diagnosis-1, Anaesthesia-1 )
- (ii) Jr. Resident 18 (General Medicine -1, Paediatrics -2, TB & Chest - 2, Dermatology -1, Psychiatry-2, General Surgery-1, Orthopaedics -5, ENT-1,Ophthalmology -3 )

2. Available clinical material is inadequate as under:-

|                                     | Daily Average<br>Feb 08 to July 08 |      | Day of Inspection |      |

|-------------------------------|-------|-------|----|-----|
| Surgery & Allied Specialities |       |       |    |     |
| General Surgery               | 96/3  | 80/4  | 40 | 16  |
| Orthopaedics                  | 48/2  | 40/2  | 20 | 08  |
| Ophthalmology                 | 16/1  | 10/1  | 10 | 06  |
| ENT                           | 16/1  | 10/1  | 10 | 08  |
| Total                         | 176/7 | 140/8 | 80 | 36  |
| Obstetrics & Gynaecology      |       |       |    |     |
| Obstetrics & ANC              | 34    | 32    | 20 | 28  |
| Gynaecology                   | 14    | 8     |    |     |
| Total                         | 48/2  | 40/2  | 20 |     |
| TOTAL                         |       |       |    | 116 |

Distribution of beds to various units is not as per MCI norms. There is no demarcation of allotments of beds to different units in all the wards. There is no provision of separate wards for allied branches in Medicine and Surgery. For example, patients of TB and Chest are admitted in the Medical ward having no separate identity. Similar is the case for ENT, Ophthalmology and orthopedics. Beds in private rooms are fully paying beds and they are not counted towards the teaching beds. Deficiency of 40 Free/Teaching beds in Medicine and Allied branches, 36 in Surgery and Allied branches and 8 beds in OBG.

Beds in private rooms are fully paying beds and they are not counted towards the teaching beds.

4.
- In wards: Clinical demonstration areas have not been provided with audio visual aids except in O&G. No pantry available attached to wards. Facilities are created only in some areas.
5.
- The total number of paramedical and nursing staff is inadequate in relation to bed strength of 500 teaching beds and all functional diagnostic departments. This needs to be corrected.
6.
- Intensive care area care areas deficient as under:-

| Sr.No. | Type            | Area        | Beds             | Specialized equipment   |
|--------|-----------------|-------------|------------------|---|
| 1      | ICCU & MICU/ICU | 250 Sq.mts. | 16               | No facility for ABG, Electrolytes.  |
| 2      | ICU             | -           | No separate beds |   |
| 3      | MICU            | -           | No separate beds |   |
| 3      | Surgical        | -           | No beds          | Postoperative ward is used as SICU, but no equipments. No central oxygen-suction. |
| 4      | Neonatal        | -           | No beds          |   |
| 5      | Pediatrics      | -           | No beds          |   |

Various critical care areas are grossly inadequate.

7.
- Nursing staff is inadequate as under:-

Nursing Superintendent

Deputy Nursing Superintendent

Matron

Asstt. Nursing Superintendent

Nursing Sisters

Staff nurses

Nursing students

8.
- Library: Outside seating room for 25 is not available. Foreign journal are only 8 instead of 33.No Medlar available. No books are issued to the students.

9. Auditorium is level type having only 230 plastic chairs, which is not as per norms.
10. Health Centres: No Lecturer cum Medical Officer having M.D. Community Medicine is available at RHTC. No senior faculty from the Dept. is posted in rotation. There is not Hostel facility for accommodating Boys and Girls. Mess facility is not available. Staff has prescribed norms to be appointed.
11. Registration and Medical Record Section, ICD X Classification of diseases is not followed for indexing.
12. Central Sterilization dept.: No bowl sterilizer, No glow inspection machine, No instrument washing machine in CSSD. No racks and No mixers are available.
13. Mortuary: The College has not been granted permission for conduction medico legal postmortems and hence the students are taken to Erode District Hospital for demonstration of autopsied.
14. Radiology: There is deficiency of 1 X-ray machine, 2 USG and 2 Portable units.
15. Other deficiencies/remarks in the main report.

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to issue a show cause notice to the authorities of Perundurai Medical College, Perundurai as to why the recognition for the award of MBBS degree should not be withdrawn u/s 19 of the IMC Act, 1956 and further decided to advise the institute to respond to the show cause notice within two months on receipt of the communication. Copy of the letter be also marked to DME of the concerned State Govt., Registrar of the University to which the college is affiliated and also to the member of MCI representing the State where the college is located.

**36. Approval of Minutes of the Registration & Equivalence Committee held on 30.06.2008-regarding.**

Read: The Minutes of the Registration & Equivalence Committee held on 30.06.2008.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council approved the minutes of the Registration & Equivalence Committee meeting held on 30.06.2008.

**37. Rohilkhand Medical College & Hospital, Pilibhit, Bareilly – Renewal of permission for admission of 3<sup>rd</sup> batch of students for the academic session 2008-09- Inspection to verify the compliance and the teaching faculty, residents, clinical material & hostels facilities.**

Read: The Council Inspectors report (19<sup>th</sup> August, 2008) to verify the compliance and the teaching faculty, residents, clinical material & hostels facilities available at Rohilkhand Medical College & Hospital, Pilibhit Bypass Road, Bareilly.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report (19<sup>th</sup> August, 2008) along with Council Inspectors report (1<sup>st</sup> & 2<sup>nd</sup> April, 2008 & 20<sup>th</sup> May, 2008) and observed the following:-

1. (a) The shortage of teaching faculty for the academic year 2008-09 (i.e. IInd renewal) is 23.68 % (Shortage of 27 out of 114) as under:-
  - i) Professor : 3 (1 Pediatrics, 1 Orthopedics, 1 Radiodiagnosis)
  - ii) Associate Prof. : 13 (1 Anatomy, 2 Physiology, 3 Pathology, 2 General Medicine, 1 Paediatrics, 1 Surgery, 1 Orthopaedics, 1 Anaesthesiology, 1 Radio-diag.)

- iii) Assistant Prof. : 5 (1 PSM, 1 TB & Chest, 3 Surgery)
- iv) Tutor : 6 (1 Anatomy, 2 Pharmacology, 1 Microbiology, 2 Forensic Medicine)
- (b) The shortage of Residents is 20.98 % (Shortage of 17 out of 81).
- i) Sr. Resident : 5 (1 Medicine, 1 TB & Chest, 1 Psychiatry, 1 Radiodiagnosis, 1 Anaesthesiology)
- ii) Jr. Resident : 12 (4 Medicine, 1 Dermatology, 1 Psychiatry, 3 Surgery, 2 ENT, 1 Obstetrics & Gynaecology)
- 2. Clinical material is inadequate in terms of bed occupancy (76%), number of deliveries (1 on the day of inspection), Microbiology investigations (5 on the day of inspection), Cytopathology (3) and minor surgical operation (4).
- 3. Other deficiencies/remarks pointed out in the inspection report.

The deficiency with respect to teaching faculty as to the requirement for the existing students is as under:-

- 1. The faculty shortage is 20.5% (i.e. 20 out of 97) as under:-
  - i) Professor 03 (Paediatrics -1, Orthopaedics -1, Radio Diagnosis-1)
  - ii) Assoc Prof 09 (Anatomy -1, Physiology -2, Pathology -3, Paediatrics -1, Orthopaedics -1, Radio –Diagnosis-1)
  - iii) Asstt. Prof 02 (TB & Chest -1, Surgery -1)
  - iv) Tutor 06 (Anatomy -1, Pharmacology -2, Microbiology -1, Forensic Medicine -2)

In view of the above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 3<sup>rd</sup> batch of MBBS students for the academic year 2008-09 at Rohilkhand Medical College & Hospital, Pilibhit Bypass Road, Bareilly.

**Office Note:-** The Secretary, MCI informed that the institute has filed a Writ Petition in the Hon'ble Supreme Court bearing WP No. 294/2008. As the matter is sub-judice, the office is directed to take appropriate action on receipt of the orders of the Hon'ble Supreme Court.

**38. Santhiram Medical College, Nandyal - Renewal of permission for admission of 4<sup>th</sup> batch of students for the academic session 2008-09- Inspection to verify the compliance and the teaching faculty, residents, clinical material & hostels facilities.**

Read: The Council Inspectors report (19<sup>th</sup> August, 2008) to verify the compliance and the teaching faculty, residents, clinical material & hostels facilities available at Santhiram Medical College, Nandyal.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report (19<sup>th</sup> August, 2008) along with Council Inspectors report (23<sup>rd</sup> & 24<sup>th</sup> May, 2008 and 09<sup>th</sup> June, 2008) and observed the following:-

- 1.(a) The shortage of teaching faculty for the academic year 2008-09 (i.e. III renewal) is 62.8% (i.e. 76 out of 121)

- i) Professor 4 (Pharmacology – 1, PSM – 1, Paediatrics – 1, Ophthalmology -1)
- ii) Assoc Prof 24 (Anatomy – 1, Physiology -2, Pathology -1, Microbiology – 1, Pharmacology – 1, FMT – 1, PSM – 1, Gen. Med – 3, T.B & Chest – 1, Derma – 1, Psychiatry -1, Paeds – 1, Gen. Surg – 3, Ortho – 1, ENT -1, OBGY -1, Radio-diagnosis – 1, Anaesthesia – 1, Dentistry – 1)
- iii) Assist Prof 32 (Anatomy – 2, Physiology -1, Pathology -3, Pharmacology – 2, PSM – 3, Gen. Med – 4, T.B & Chest – 1, Paeds – 2, Gen. Surg – 3, Ortho – 2, Ophthalmology – 1, OBGY -3, Radio-diagnosis – 2, Anaesthesia – 3)
- iv) Tutor 16 (Anatomy – 2, Physiology -2, Pathology -5, Pharmacology – 2, FMT – 2, PSM – 3)
- (b) The shortage of Residents is 84% (ie 72 out of 85) as under :-
- i) Sr. Resident 17 (Gen. Med – 4, T.B & Chest – 1, Dermatology – 1, Psychiatry – 1, Paeds – 2, OBGY -1, Radio-diagnosis – 2, Anaesthesia – 5)
- ii) Jr. Resident 55 (Gen. Med –12, T.B & Chest – 3, Dermatology – 3, Psychiatry – 3, Paeds – 6, Gen. Surg –10, Ortho – 6, ENT –3, Ophthalmology – 3, OBGY-5, Dentistry- 1)
2. Clinical material is grossly inadequate as under:-

| Haematology                         | 27                              |
| Histopathology                      | -                               |
| Cytopathology                       | -                               |
| Others                              | -                               |

- The clinical material was grossly inadequate in terms of OPD attendance (120) and bed occupancy (7.2%) on the day of inspection.
- Most of the OPD's and wards were found to be empty with 0 to 1 faculty/ residents till 12 noon.
- The ground floor of the OPD building was found to be leaking with puddles of water all over.
- The Radiological and laboratory workload was found to be negligible.

- There were no patients in the labour room or OBGY ward.
  - Major OT list had two patients.
3. There is gross shortage of faculty, the number and distribution of units was not as per council norms. There was no demarcation and numbering of beds and units in the wards.
  4. Other deficiencies/remarks pointed out in the inspection report.

The deficiency with respect to teaching faculty as to the requirement for the existing students is as under:-

1. (a) The shortage of teaching faculty as required is 59.5% (i.e. 72 out of 121) as under:-
  - i) Professor 4 (Pharmacology – 1, PSM – 1, Paediatrics – 1, Ophthalmology -1)
  - ii) Assoc Prof 20 (Anatomy – 1, Physiology -2, Pathology -1, Microbiology – 1, Pharmacology – 1, FMT – 1, PSM – 1, Gen. Med – 3, Paeds – 1, Gen. Surg – 3, Ortho – 1, OBGY -1, Radio-diagnosis – 1, Anaesthesia – 1, Dentistry – 1)
  - iii) Asst. Prof 32 (Anatomy – 2, Physiology -1, Pathology -3, Pharmacology – 2, PSM – 3, Gen. Med – 4, T.B & Chest – 1, Paeds – 2, Gen. Surg – 3, Ortho – 2, Ophthalmology – 1, OBGY -3, Radio-diagnosis – 2, Anaesthesia – 3)
  - iv) Tutor 16 (Anatomy – 2, Physiology -2, Pathology -5, Pharmacology – 2, FMT – 2, PSM – 3)
- (b) The shortage of Residents is 81.1% (i.e. 69 out of 85) as under :-
  - i) Sr. Resident 17 (Gen. Med – 4, T.B & Chest – 1, Dermatology – 1, Psychiatry – 1, Paeds – 2, OBGY -1, Radio-diagnosis – 2, Anaesthesia – 5)
  - ii) Jr. Resident 52 (Gen. Med – 12, T.B & Chest – 2, Dermatology – 2, Psychiatry – 2, Paeds – 6, Gen. Surg – 10, Ortho – 6, ENT – 3, Ophthalmology – 3, OBGY -5, Dentistry – 1)

In view of the above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 4<sup>th</sup> batch of MBBS students for the academic year 2008-09 at Santhiram Medical College, Nandyal.

**Office Note:-** The Secretary, MCI informed that the institute has filed a Writ Petition in the Hon'ble Supreme Court bearing WP No. 300/2008. As the matter is sub-judice, the office is directed to take appropriate action on receipt of the orders of the Hon'ble Supreme Court.

**39. Tripura Medical College & Dr. B.R.A.M. Teaching Hospital, Agartala - Renewal of permission for admission of 3<sup>rd</sup> batch of students for the academic session 2008-09- Inspection to verify the compliance and the teaching faculty, residents, clinical material & hostels facilities.**

Read: The Council Inspectors report (19<sup>th</sup> August, 2008) to verify the compliance and the teaching faculty, residents, clinical material & hostels facilities at Tripura Medical College & Dr. B.R.A.M. Teaching Hospital, Agartala.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report (19<sup>th</sup> August, 2008) along with Council Inspectors report (16<sup>th</sup> & 17<sup>th</sup> May, 2008) and observed the following:-

1.(a) The shortage of teaching staff for the academic year 2008-09 i.e. IInd renewal) is 51.72% (i.e. 60 out of 116) as under:-

- |       |                     |    |   |
|-------|---------------------|----|---|
| (i)   | Professor           | 06 | (Pathology -1, Forensic Medicine -1, Paediatrics -1, Orthopaedics-1, Anaesthesia -1, Radio Diagnosis -1)  |
| (ii)  | Associate Professor | 24 | (Anatomy -2, Physiology -2, Biochemistry -1, Pharmacology -1, Pathology -3, Microbiology -1, Forensic Medicine -1, Community Medicine -1, General Medicine -3, Paediatrics -1, General Surgery -2, Orthopaedics -1, Obst. & Gynae. -1, Anaesthesia -2, Radio Diagnosis -1 & Dentistry -1) |
| (iii) | Assistant Professor | 17 | (Anatomy -3, Biochemistry -1, Pharmacology -1, Pathology -2, Community Medicine -6, TB & Chest -1, Anaesthesia -1 & Radio Diagnosis -2)   |
| (iv)  | Tutor               | 13 | (Anatomy -1, Biochemistry -1, Pharmacology -3, Physiology -1, Pathology -4, Forensic Medicine -1 & Community Medicine -2)   |

(b) The shortage of Residents is 63.41% (i.e. 52 out of 82) as under :-

- |      |              |    |   |
|------|--------------|----|---|
| (i)  | Sr. Resident | 15 | (General Medicine -1, Paediatrics -2, TB & Chest -1, Dermatology -1, General Surgery -2, Orthopaedics -1, Obst. & Gynae. -1, Anaesthesia -3 & Radio Diagnosis -3) |
| (ii) | Jr. Resident | 37 | (General Medicine -5, Paediatrics -5, TB & Chest -1, Dermatology-2, Psychiatry -2, General Surgery -11, Orthopaedics -4, ENT -3, Obst. & Gynae. -4)               |

2. Clinical material grossly inadequate as under:-

|                                     | Day of Inspection |      |
|-------------------------------------|-------------------|------|
| O.P.D. attendance                   | 417               |      |
| Bed occupancy%                      | 27%               |      |
| Operative work                      | Nil               |      |
| Number of major surgical operations | Nil               |      |
| Number of minor surgical operations | Nil               |      |
| Number of normal deliveries         | Nil               |      |
| Number of caesarian Sections        | Nil               |      |
| <u>Radiological Investigations</u>  | O.P.              | I.P. |
| X-ray                               | 25                | 12   |
| Ultrasonography                     | Nil               | Nil  |
| Special Investigation               | Nil               | Nil  |
| C.T. Scan                           | NA                | NA   |
| <u>Laboratory Investigations</u>    |                   |      |
| Biochemistry                        | 18                | 18   |
| Microbiology                        | 07                | 08   |
| Serology                            | 1                 | -    |
| Parasitology                        | -                 | -    |
| Haematology                         | 18                | 15   |
| Histopathology                      | -                 | -    |
| Cytopathology                       | -                 | -    |
| Others                              | -                 | -    |

- Clinical material is grossly inadequate in terms of OPD attendance, Casualty Attendance, Number of admission/discharges and bed occupancy on the day of inspection.
  - Relatives of 8 patients were lying in the male medical ward and hence not counted.
  - No operative work was performed on the day of inspection.
  - Clinical material is grossly inadequate in terms of Radiological investigations and laboratory investigations on the day of inspection.
  - The Ultrasound machine was out of order since last 10 days.
  - There was no record of major surgeries/minor surgeries performed in various OTs after 10<sup>th</sup> August, 2006.
  - There was no proper record of admissions/discharges maintained in various wards.
  - The central computer in the OPD showed escalated figures of daily OPD attendance as well as admissions/discharges. These figures did not tally with the registers maintained in various OPDs/wards.
3. Teaching beds are 314. Distribution of teaching beds in different specialties is not as per Council norms in the following clinical departments.

| Speciality               | Required Beds/Units | Present Beds/Units | Deficiency |
|--------------------------|---------------------|--------------------|------------|
|                          |                     |                    |            |
| Paediatrics              | 50                  | 26                 | 24 beds    |
| Skin & VD                | 07                  | 03                 | 4 beds     |
| General Surgery          | 93                  | 54                 | 39 beds    |
| Obstetrics & Gynaecology | 34                  | 16                 | 18 beds    |
| Obstetrics & ANC         | 22                  | 14                 | 8 beds     |
| Gynaecology              |                     |                    |            |
| Total Deficient beds     |                     |                    | 93         |

4. The hostel facilities are inadequate for undergraduate students as well as nursing staff as under:-

| Hostels   | No. | Rooms | Capacity | Furnished Yes/No | Mess Yes/No |
|-----------|-----|-------|----------|------------------|-------------|
| Boys      | 1   | 64    | 128      | Yes              | Yes         |
| Girls     | 1   | 48    | 96       | Yes              | Yes         |
| Residents | 2   | 60    | 60       | Yes              | Yes         |
| Nurses    | 1   | 12    | 24       | Yes              | Yes         |

5. RHTC Melaghar is on lease for 5 years which is not as per norms. In RHTC no lecturer cum medical officer having MD(PSM) is available. No audiovisual aids have been provided. Labour Room and minor OT are not available. Deficiency remains as it is.
6. Urban Health Centre is on lease for 2 years which is not as per norms. No Lecturer cum Medical Officer having MD (PSM) is available. Deficiency remains as it is.
7. Only 12 flats are available within the campus for the teaching faculty which is inadequate against the requirement of 36 at this stage as per regulations. No accommodation is available for non teaching and class IV employees. Deficiency remains as it is.
8. In Radio Diagnosis Department only 2 Static Unit is available. There is no IITV. Deficiency remains as it is.
9. There is no independent CSSD. Deficiency remains as it is.
10. Books in the Departmental Libraries of are in adequate as under:-
- TB&Chest - 30 books,
  - Skin&VD - 20 books,
  - Psychiatry - 55 books
  - ENT – 70 books
  - Ophthalmology - 65 books
  - Radiodiagnosis - 70 books
  - Anaesthesia - 70 books

Deficiency remains as it is.

11. Microbiology Department (G+2) Ground + 1<sup>st</sup> floor construction is complete whereas 2<sup>nd</sup> floor is under construction. Forensic Medicine Department (G+2): - Ground floor construction is complete whereas 1<sup>st</sup> & 2<sup>nd</sup> floor are under construction. Shifting of various departments, lecture theatres, examination hall and library will be done only after the construction is completed. Deficiency partially rectified.
12. Other deficiency/remarks in the main report.

The deficiency with respect to teaching faculty as to the requirement for the existing students is as under:-

1. (a) The shortage of teaching faculty is 47.42% (i.e. 46 out of 97) as under:-
  - (i) Professor 06 (Pathology -1, Forensic Medicine -1, Paediatrics -1, Orthopaedics-1, Anaesthesia -1 & Radio Diagnosis -1)
  - (ii) Associate Professor 17 (Anatomy -2, Physiology -2, Biochemistry -1, Pharmacology -1, Pathology -3, Microbiology -1, Forensic Medicine -1, General Medicine -1, Paediatrics -1, Orthopaedics -1, Obst. & Gynae. -1, Anaesthesia -1 & Radio Diagnosis -1)
  - (iii) Assistant Professor 12 (Anatomy -3, Biochemistry -1, Pharmacology -1, Pathology -2, Community Medicine -3, & Radio Diagnosis -2)
  - (iv) Tutor 11 (Anatomy -1, Physiology -1, Biochemistry -1, Pharmacology -3, Pathology -4 & Forensic Medicine -1)
- (b) The shortage of Residents is 48.21% (i.e. 27 out of 56) as under:-
  - (i) Sr. Resident 10 (General Medicine -1, Paediatrics -2, General Surgery -2, Orthopaedics -1, Obst. & Gynae. -1, Anaesthesia -1 & Radio Diagnosis -2)
  - (ii) Jr. Resident 17 (General Medicine -1, Paediatrics -3, General Surgery -7, Orthopaedics -2, ENT -2, Obst. & Gynae. -2)
2. The clinical material is grossly inadequate in terms of OPD attendance (417 on the day of inspection), Casualty attendance (04), Bed occupancy 27.1%, no operative work on the day of inspection, x-ray (37), no USG's & CT Scan & all lab. investigations.
3. There is deficiency of 73 teaching beds as under:-

| Department       | Required | Available | Deficiency |
|------------------|----------|-----------|------------|
| Paediatrics      | 38       | 26        | 12 beds    |
| Skin & VD        | 5        | 03        | 02 Beds    |
| General Surgery  | 90       | 54        | 36 beds    |
| Obstetrics & ANC | 32       | 16        | 16 beds    |
| Gynaecology      | 21       | 14        | 07 beds    |
| Total            |          |           | 73 beds    |

In view of the above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 3<sup>rd</sup> batch of MBBS students for the academic year 2008-09 at Tripura Medical College & Dr. B.R.A.M. Teaching Hospital, Agartala.

**Office Note:-** The Secretary, MCI informed that the institute has filed a Writ Petition in the Hon'ble Supreme Court bearing WP No. 331/2008. As the matter is sub-judice, the office is directed to take appropriate action on receipt of the orders of the Hon'ble Supreme Court.

**40. Dr. D.Y. Patil Medical College, Navi Mumbai – Renewal of permission for admission of 3<sup>rd</sup> batch of students against increased intake i.e. from 100 to 150 for the academic session 2008-09- Inspection to verify the compliance and the teaching faculty, residents, clinical material & hostels facilities.**

Read: The Council Inspectors report (20<sup>th</sup> August, 2008) to verify the compliance and the teaching faculty, residents, clinical material & hostels facilities available at Dr. D.Y. Patil Medical College, Navi Mumbai.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the Compliance Verification Inspection report (20<sup>th</sup> August, 2008) alongwith the Council Inspectors reports (19<sup>th</sup> & 20<sup>th</sup> March 2008 & 13<sup>th</sup> May, 2008) and decided to recommend to the Central Govt. to renew the permission for admission of 3<sup>rd</sup> batch of MBBS students against the increased intake i.e. from 100 to 150 at Dr. D.Y. Patil Medical College, Navi Mumbai for the academic session 2008-2009.

**Office Note:-** The Secretary, MCI informed that the institute has filed a Writ Petition in the Hon'ble Supreme Court bearing WP No. 322/2008. As the matter is sub-judice, the office is directed to take appropriate action on receipt of the orders of the Hon'ble Supreme Court.

**41. Index Medical College Hospital & Research Centre, Indore – Renewal of permission for admission of 2<sup>nd</sup> batch of students for the academic session 2008-09-inspection to verify the compliance and the teaching faculty, residents, clinical material & hostels facilities.**

Read: The Council Inspectors report (19<sup>th</sup> August, 2008) to verify the compliance and the teaching faculty, residents, clinical material & hostels facilities available at Index Medical College Hospital & Research Centre, Indore.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council considered the compliance verification inspection report (19<sup>th</sup> August, 2008) along with Council Inspectors reports (08<sup>th</sup> & 09<sup>th</sup> May, 2008 & 27<sup>th</sup> May, 2008) and observed the following:-

1.(a) The following faculty have not been considered while computing faculty for reasons given as under:

| S.No. | Name of Faculty       | Designation | Department   | Remarks   |
|-------|-----------------------|-------------|--------------|---|
| 1     | Dr. Archana Tiwari    | Asst. Prof. | Anatomy      | On verification from DCI, it is confirmed that she is working as Sr. Lecturer in Uttaranchal Dental College as per online entry by the college on DCI website.                      |
| 2     | Dr. Sanjay Chamoli    | Asst. Prof. | Anatomy      | On verification from DCI, it is confirmed that he is working as Professor in Institute of Dental Studies & Technology, Modinagar as per online entry by the college on DCI website. |
| 3     | Dr. Dharam Veer Singh | Professor   | Anatomy      | On verification from DCI, it is confirmed that he is working as Reader in Kalka Dental College, Meerut as per online entry by the college on DCI website.                           |
| 4     | Dr. S.P. Mishra       | Asso. Prof. | Biochemistry | On verification, Institute of Medical Sciences, Varanasi vide letter dt. 20.08.2008 has confirmed that he is working as Lecturer at the institute.                                  |
| 5     | Dr. Shailesh Gupta    | Asst. Prof. | Physiology   | On verification, Institute of Medical Sciences, Varanasi vide letter dt. 20.08.2008 has confirmed that he is working as Lecturer at the institute.                                  |

|   |                |           |            |  |
|---|----------------|-----------|------------|--|
| 6 | Dr. Shail Bala | Professor | Physiology | On confirmation, Muzaffarnagar Medical College vide its fax dt. 23.08.2008 has informed that she is on leave from 01.06.2008 and not yet relieved. |
|---|----------------|-----------|------------|--|

(b) In view of above, the shortage of teaching faculty for the academic year 2008-09 (i.e. 1st renewal) is more than 30 % (i.e. 39 out of 129) as under:-

- |       |                     |    |   |
|-------|---------------------|----|---|
| (i)   | Professor           | 02 | (Pharmacology-1 & OBGY-1)   |
| (ii)  | Associate Professor | 07 | (Anatomy-1, Physiology-2, Forensic Medicine -2 & Pharmacology-2)                          |
| (iii) | Assistant Professor | 07 | (Anatomy-3, Biochemistry 1, Pharmacology -2 & TB & Chest-1)                               |
| (iv)  | Tutor               | 23 | (Anatomy-6, Physiology -3, Biochemistry-2, Pharmacology-6, Pathology-5 & Microbiology -1) |

(c) The shortage of Residents is 40.7% (i.e. 31 out of 76) as under:-

- |      |              |    |  |
|------|--------------|----|--|
| (i)  | Sr. Resident | 02 | (ENT-1 & Ophthalmology -1)   |
| (ii) | Jr. Resident | 29 | (General Medicine-4, Peadiatrics.-3, Skin & VD-2, Psychiatry-2, General Surgery-9, Orthopaedics-3, ENT-2, Ophthalmology-2, Obst. & Gynae. -2). |

2. Clinical material is inadequate in terms of bed occupancy as under:-

|                | Daily Average | Day of Inspection |
|----------------|---------------|-------------------|
| Bed occupancy% | 50-70%        | 50%               |

3. Bed occupancy as evaluated by us on the day of inspection was approx. 50%.

|                  |                        |
|------------------|------------------------|
| General Surgery  | 35 occupied out of 105 |
| Orthopaedics     | 12 occupied out of 40  |
| Ophthalmology    | 3 occupied out of 15   |
| ENT              | 8 occupied out of 15   |
| Obst. & Gynae.   | 32 occupied out of 65  |
| General Medicine | 51 out of 100          |
| Peadiatrics      | 20 out of 45           |

|              |                       |
|--------------|-----------------------|
| <b>Total</b> | <b>161 out of 385</b> |
|--------------|-----------------------|

4. Other deficiencies as pointed out in the inspection report.

The deficiency with respect to teaching faculty as to the requirement for the existing students is as under:-

1. (a) The shortage of teaching faculty is 28.75 % (i.e. 19 out of 66) as under:-

- |       |                     |    |  |
|-------|---------------------|----|--|
| (i)   | Professor           | 01 | (Anatomy 1)  |
| (i)   | Associate Professor | 05 | (Physiology 1, Biochemistry 1, Pharmacology – 1 & Physiology -2) |
| (ii)  | Assistant Professor | 02 | (Anatomy -2)   |
| (iii) | Tutor               | 11 | Anatomy -6, Physiology -3 & Biochemistry -2)                     |

(b) The shortage of Residents is 10.6% (i.e. 7 out of 43) as under:-

- |      |              |    |  |
|------|--------------|----|--|
| (i)  | Sr. Resident | 02 | (ENT -1 & Ophthalmology -1)                      |
| (ii) | Jr. Resident | 05 | (ENT – 1, Ophthalmology -1 & General Surgery -3) |

In view of the above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to recommend to the Central Govt. not to renew the permission for admission of 2<sup>nd</sup> batch of MBBS students for the academic year 2008-09 at Index Medical College Hospital & Research Centre, Indore.

**Office Note:-** The Secretary, MCI informed that the institute has filed a Writ Petition in the Hon'ble Supreme Court bearing WP No. 313/2008. As the matter is sub-judice, the office is directed to take appropriate action on receipt of the orders of the Hon'ble Supreme Court.

#### 42. Change of award of AMC of 365 KVA DG Set.

Read: The matter with regard to change of award of AMC of 365 KVA DG Set.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council observed that the Annual Maintenance Contract for Generator of 365 KVA was approved by the Executive Committee at its meeting held on 12.5.2008 on the recommendations of the Purchase Committee for award of contract to M/s. Thermal Power Plus. The letter for the award of the Annual Maintenance Contract was issued to M/s. Thermal Power Plus on 3.6.2008. However, in response, M/s. Thermal Power Plus requested the Council to increase the AMC charges atleast by 15% and have not signed the agreement till date.

The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council further observed that the matter was once again placed before the Purchase Committee at its meeting held on 16.6.2008 and approved the following recommendations of the Purchase Committee to award the contract of A.M.C. to M/s. OVN Trading Engineers Pvt. Ltd. for one year @ Rs. 33,500/-+12.3% Service Tax on the Service charges as under:-

*"The Purchase Committee comprising of Sh. Ashok Kr. Harit, Deputy Secretary (Admn.); Dr. Davinder Kumar, Deputy Secretary; Mrs. Madhu Handa, Assistant Secretary & Sh. A.K. Ahluwalia, Accounts Officer, met in the Council office on 16/06/2008 at 3.00 p.m. for finalizing the AMC of 365 KVA DG Set.*

*It has been observed by the Committee that the award of annual maintenance contract for various equipments installed in the Councils building was placed before the Executive Committee at its meeting held on 12.5.2008 and Executive Committee approved the recommendations of the Purchase Committee for the award of annual maintenance contract for various equipments. Amongst others, the AMC for Generator of 365 KVA was also approved and AMC contract was awarded to M/s Thermal Power Plus vide Council letter dated 3.6.2008 extending the AMC contract for a period up to 31.3.2009 @ Rs. 25,000/- per year (inclusive of all taxes). M/s Thermal Power Plus, in response to our said letter requested the Council to increase the AMC charges atleast by 15% i.e. from Rs. 25,000/- to Rs. 28,750/-, due to increase of price of all domestic, industrial & commercial consumable.*

*It has also been observed that there was some complaint in the panel box of the DG Set and M/s Thermal Power Plus was called but they were unable to rectify the defects in the panel box. On 22.6.2008 M/s Thermal Power Plus sent the Engineers of M/s Sudhir Generator and they tried their best to repair the panel box but the panel box could not be repaired by them and the pump of the generator was also effected and was not working due to which there was the total breakdown of the electricity in the Council Office. They could not even regularize the direct supply of the electricity to the Council. Thereafter with the help of other engineers from outside, electricity was regularized through the new generator of 500 KVA. The engineers of M/s OVN Trading Engineers Pvt. Ltd. who supplied the generator of 365 KVA, were called and they immediately detected the defect in the generator set and the pump of the DG set was given to them for repairing and they repaired the same in the morning of 24.6.2008.*

*In view of above, the Committee observed that M/s Thermal Power Plus is not having the required experience in the repair of the generator set and failed to rectify the defects in the panel box as well as in the DG set due to which Council Office was without electricity for two days and the work of the Council was badly effected.*

*The Committee further observed that M/s OVN Trading Engineers Pvt. Ltd., supplied the generator of 365 KVA to the Council and the initial AMC was also awarded to them. They have quoted their rates for the AMC for one year @ Rs. 33,500/- + 12.3% Service Tax on the Service Charges.*

*In view of above, the Purchase Committee recommends to cancel the AMC awarded to M/s Thermal Power Plus and fresh AMC may be awarded to M/s OVN Trading Engineers Pvt. Ltd. for one year @ Rs.33,500/- plus 12.3% Service Tax on the Service Charges, for 365 KVA DG Set installed in the Council office."*

In view of above, the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council decided to approve the above recommendations of the Purchase Committee meeting held on 16.6.2008 to award the Annual Maintenance Contract to M/s OVN Trading Engineers Pvt. Ltd. for one year @ Rs.33,500/- plus 12.3% Service Tax on the Service Charges, for 365 KVA DG Set installed in the Council office.

At this point, the President (Acting) Dr. P.C. Kesvankutty Nayar instructed the Secretary and the attending staff to leave the meeting and the subsequent item nos. 43, 44 and 45 were discussed by the members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee of the Council in camera and the minutes of item nos. 43, 44 & 45 are kept in the custody of Dr. P.C. Kesvankutty Nayar, President (Acting).

(Lt. Col. (Retd.) Dr. A.R.N. Setalvad)  
Secretary

New Delhi, dated  
the 25<sup>th</sup> August, 2008
