65. Bombay University/ Mumbai University & Maharashtra University of Health Sciences, Nashik - Recognition of DCH qualification in respect of students being trained at Grant Medical College, Mumbai.

Read: the compliance together with the Council Inspector's report (June, 2009) on the standard of examination and other teaching facilities available at Grant Medical College, Mumbai for purpose of recognition of DCH qualification earlier granted by Bombay/Mumbai University and now by Maharashtra University of Health Sciences, Nashik.

The Postgraduate Committee considered the compliance together with the Council Inspector's report (June, 2009) and decided to reiterate its earlier decision taken at its meeting held on 18.07.2009 not to recognize DCH qualification earlier granted by Bombay/Mumbai University and now by Maharashtra University of Health Sciences, Nashik in respect of students being trained at Grant Medical College, Mumbai, because of the followings:-

1. Unit I of J.J. Hospital does not have Associate Professor.
2. Dr. Bela Verma, Associate Professor & Incharge of Unit-V at G.T. Hospital, does not possess recognized postgraduate qualification.

3. Unit –VI at St. George’s Hospital have got only 2 teaching faculty.
4. Resultantly, teaching faculty component is inadequate.
5. Beds at Unit-V, at G.T. Hospital is not as per MCI norms.(Number of beds -60).
6. Other deficiencies/observations as pointed out in the inspection report.

In view of above, the Committee further decided to direct the institution authorities to henceforth stop admission in DCH course from the academic session 2010-2011.

67. To consider the letter dated 30/10/2009 from Director, Banaras Hindu University regarding increase of seats in MD/MS courses in order to implement the 27% OBC reservation in the Central Educational Institution as per Government of India, Ministry of Human Resource Development, Department of Higher Education, Office Memorandum 20th April, 2008.

Read: the letter dated 30/10/2009 from Director, Banaras Hindu University regarding increase of seats in MD/MS courses in order to implement the 27% OBC reservation in the Central Educational Institution as per Government of India, Ministry of Human Resource Development, Department of Higher Education, Office Memorandum 20th April, 2008.

The Postgraduate Committee considered the letter dated 30/10/2009 from Director, Banaras Hindu University regarding increase of seats in MD/MS courses in order to implement the 27% OBC reservation in the Central Educational Institution as per Government of India, Ministry of Human Resource Development, Department of Higher Education, Office Memorandum 20th April, 2008 and increase the number of seats in MD/MS courses in the Instt. of Medical Sciences from 87 to 134 to accommodate the students belonging to OBC category upto 27% as per Govt. of India reservation policy.

The Postgraduate Committee noted that as per the provisions of Section 10A of the I.M.C. Act, 1956, no medical college shall increase its admission capacity in any course of study or training (including a postgraduate course of study or training) except with the previous permission of the Central Govt., obtained in accordance with the provisions of this Section.

The members of the Postgraduate Committee also observed that Regulation 9 of Medical Council of India (criteria for identification of students admitted in excess of admission capacity of medical colleges) Regulations 1997, pertaining to the excess admission reads as under:-

- “9 *Identification of excess admission & non-recognition of medical qualifications:-*
The Council shall find out the excess admissions in a medical college and no medical qualification granted to any identified student of the medical college which comes under the excess admission shall be recognized medical qualification for the purpose of Indian Medical Council Act, 1956 (102 of 1956). The names and other particulars of students so identified shall be intimated by the Council to all concerned for taking action under the provisions of the Act. Any dispute in the matter of identification of excess admission of students(s) in a medical institution shall be referred to the Central Govt., for decision.”

In view of above, the members of the postgraduate Committee decided to initiate action by issuing the discharge notice in respect of the students who have been admitted in excess of the permissible intake and the college authorities may be advised to apply as per provisions of Section 10A of the I.M.C. Act, 1956 for increase of seats in MD/MS courses.

68. Admission made in various postgraduate medical courses after the last date for the academic session 2009-2010 as prescribed in the Postgraduate Medical Education Regulation, 2000 by B.J. Medical College, Pune.

Read: the letter dated 03/11/2009 received from the Dean, B. J. Medical College, Pune regarding admission made in PG Courses after the last date prescribed for the academic session 2009-10.

The Postgraduate Committee considered the letter dated 03/11/2009 received from the Dean, B. J. Medical College, Pune regarding admission made in PG Courses after the last date prescribed for the academic session 2009-10 and observed that the Dean, B.J. Medical College, Pune vide their letter dt.3.11.2009 has submitted as under:-

- “1. According to the Hon’ble Supreme Court’s order dated. 26/5/2009, the final admission for postgraduate courses must be done by Personal Counseling. Therefore, Personal Counseling process was done by the Competent Authority & the Director of Medical Education & Research, Mumbai.
2. The personal counseling of the candidates took place in the Directorate on 18th, 19th and 20th June, 2009. Accordingly, the last date of admission was 20th June, 2009. Therefore, the admission process was stopped at 5.00 pm. On 20th June, 2009. (for ready reference please see the information given in the table format on page no.2)
3. During the above three days, the admission process was done against receiving admission fees and original documents of the candidates (Enclosed Xerox copies of the receipt.)

However in the above referred letter dates displayed, by mistake, in the column i.e. “Date of Admission” were actually the Dates of Reporting to the respective departments and not the dates of Admission. In support of this, they have enclosed the Xerox copies of receipt of admission fees.”

In view of above, the members of the Postgraduate Committee after due deliberations decided to accept the explanation submitted by the Dean, B.J. Medical College, Pune as inadvertent error and decided to revoke the decision taken by the Postgraduate Committee to discharge the following students admitted after the last date i.e. 20th June, 2009:-

69. **Admission made in P.G. for the academic session 2009-10 in excess of the admission capacity fixed by the Council by the Government Medical College, Surat.**

Read: the letter dated 27/10/2009 received from the Dean, Government Medical College, Surat regarding admission made in P.G. courses for the academic session 2009-10 in excess of the admission capacity fixed by the Council.

The Postgraduate Committee considered the letter dated 27/10/2009 received from the Dean, Government Medical College, Surat regarding admission made in P.G. courses for the academic session 2009-10 in excess of the admission capacity fixed by the Council and observed that the Dean, Govt. Medical College, Surat vide their letter dt.27.10.2009 has submitted as under:-

1. **M.D.(Paediatrics)** : This Degree was recognized since March 1984 (before 1992) Council report as well as recommendation letter of Council PG committee has not mentioned regarding restriction for the number of admission. So teacher student ratio 1:1 implemented & continued.
2. **M.D. (Microbiology):** No excess admission was given out in our list name of one candidate Dr. Neha Bansal is duplicated in M.D. (Anaesthesia) as well as M.D. (Microbiology). Because first time she got admission in M.D. (Microbiology) in Ist round counseling and then 2nd round counseling she left this college and then in extended 2nd round counseling again she got admission in M.D. (Anaesthesiology) in our college, So by mistake the name of Dr. Neha Bansal was not omitted in the M.D. (Microbiology) list. Actual 2 (Two) admission given in M.D. (Microbiology).
3. **Diploma in Clinical Pathology (D.C.P.):** This degree was recognized before 1992. Recommendation letter of Council PG Committee has mentioned that the number of students admitted for these courses should not exceed 4 for M.D. and 8 for D.C.P. per year.

In view of above, the Postgraduate Committee decided to accept the clarification submitted by the Dean.

70. **Admission made in various postgraduate medical courses after the last date for the academic session 2009-2010 at C. U. Shah Medical College, Surendranagar.**

Read: the letter dated 11/10/2009 received from the Dean, C. U. Shah Medical College, Surendranagar regarding admission made in various postgraduate medical courses after the last date for the academic session 2009-2010.

The Postgraduate Committee considered the letter dated 11/10/2009 received from the Dean, C. U. Shah Medical College, Surinder Nagar intimating that the seats filled in on 19/6/09 were Government quota seats and were filled by P.G. Admission

Committee of Saurashtra University, Rajkot on behalf of Government of Gujarat. The seats were not filled by the institution. Saurashtra University had filled the seats on the basis and in abeyance of the order of Hon'ble Supreme Court of India in the Writ petition No. 216 of 2009, Smita Nath Vs Union of India and others, in the order published on 26th May, 2009. The said order clearly defined that "all States should complete their 2nd round of counseling" before 20/6/09. Accordingly the counseling was completed by Saurashtra University on 19/6/2009.

It was further observed that the admissions were done by the PG Admission Committee of Saurashtra University, Rajkot in Government quota seats is within the extended period and the admission is not been done in the Private quota of the said college, violating the Postgraduate Medical Education Regulations, 2002.

In view of above, the members of the Postgraduate Committee after due deliberations decided to accept the explanation submitted by the Dean, C. U. Shah Medical College, Surinder Nagar and decided to revoke the decision taken by the Postgraduate Committee to discharge the following students admitted after the last date i.e. 31st May, 2009:-

Subject	Name of the Candidate	Category	Date of admission
M.D.(S.P.M.)	Krishna Kabir Anthony	Govt. seat	19/6/09
M.D.(Derm.)	Patel Pratikkumar Bipinchandra	Govt. seat	19/6/09

71. Admissions made in DMRD course in excess of the admission capacity fixed by the Council for academic session 2009-10.

Read: the letter dated 14/10/2009 received from the Dean, Sri Ramachandra University, Porur, Chennai regarding admissions made in DMRD course in excess of the admission capacity fixed by the Council for academic session 2009-10.

The Postgraduate Committee considered the letter dated 14/10/2009 received from the Dean, Sri Ramachandra University, Porur, Chennai regarding admissions made in DMRD course in excess of the admission capacity fixed by the Council for academic session 2009-10 and observed that the explanation submitted by Dean, Sri Ramachandra University, Porur, Chennai is not tenable in view of the fact that the following decision taken by the General Body of the Council at its meeting held on 16.11.2007 was communicated to the Govt. of India, Ministry of Health & F.W. vide MCI letter dt.21.01.2008, a copy whereof was also endorsed to the Dean, Sri Ramachandra Medical College and the University:-

"The Postgraduate Committee considered the Council Inspector's report (June, 2007) and noted that MD (Radio-Diagnosis) qualification already stand recognized and now the matter is for consideration of recognition of the qualification in respect of increased intake and decided to recommend that MD (Radio-Diagnosis) qualification granted by Sri Ramachandra University in respect of students being trained at Sri Ramachandra Medical College & Research Instt., Chennai be recognized and included in the 1st Schedule to the I.M.C. Act, 1956 restricting the number of admissions to 5 (five) students per year.

As there are 6 (six) P.G. teachers, the Committee further decided to reduce the number of admission to 1 (one) student per year in DMRD course in conformity with the Regulations on Postgraduate Medical Education, 2000."

The Postgraduate Committee after due deliberations decided to reiterate the decision taken in its earlier meeting dt.18.07.2009 to issue discharge notice in respect of students admitted in DMRD course in excess of the admission capacity fixed by the Council.

In view of above, as the General Body of the Council has approved the continuation of recognition of MBBS degree awarded by the institute, it was decided that the fresh inspection may be carried out for verification of the compliance submitted by the Institute.

77. Increase of seats in Postgraduate Medical courses in view of increase of allocation of seats as per teachers students ratio.

Read: the information received from the various Government medical colleges / institutions with regard to number of Professors, No. of Units & bed strength in each Post Graduate Speciality together with the Central Government Gazette notification dated 24/07/2009 regarding amendments in clause 12(1), (2), (3) & (4) of the Postgraduate Medical Education Regulations 2000.

The Postgraduate Committee considered the Central Government Gazette notification dated 24/07/2009 regarding amendments in clause 12(1), (2), (3) & (4) of the Postgraduate Medical Education Regulations 2000 and noted the following:-

1. The ratio of recognized postgraduate teacher to the number of students to be admitted for the degree course where diploma is not prescribed shall be 1:2 for a Professor and 1:1 for other cadres in each unit per year subject to a maximum of 4 PG seats for the degree per unit per academic year provided a complement of 10 teaching beds is added to the prescribed bed strength of 30 for the unit for broad specialities.
2. The ratio of recognized postgraduate teacher to the number of students to be admitted for the degree course in broad specialities where diploma is prescribed shall be 1:2 for a Professor and 1:1 for other cadres in each unit per year subject to a maximum of 4 PG seats including diploma per unit per academic year provided a complement of 10 teaching beds is added to the prescribed bed strength of 30 for the unit.

3. The requirement of units and beds shall not apply in the case of Postgraduate degree or diploma courses in Basic and para-clinical departments.

Provided that against the very same units, teaching personnel and infrastructure, no other postgraduate courses under any other streams like National Board of Examinations, College of Physicians & Surgeons etc. are permitted.

18. Number of books in the departmental library in TB & Chest, Psychiatry, ENT, Paediatrics is inadequate as per MCI norms.
19. Other deficiencies/remarks are in the main report.

In view of above, the Postgraduate Committee decided to reiterate its earlier decision taken at its meeting held on 02.07.2008 for withdrawal of recognition of M.S. (Ortho.) & D. Ortho. qualification at S.S. Medical College, Rewa granted by A.P. University u/s 19 of the IMC Act, 1956.

The Committee also reiterated the earlier decision of the Postgraduate Committee taken at its meeting held on 02.07.2008 to direct the institution authorities to henceforth stop admissions in M.S.(Ortho.) & D. Ortho. qualification from the academic session 2009-2010.

The Committee further decided to direct the institution authorities to henceforth stop admissions in M.S.(Ortho.) & D. Ortho. qualification from the academic session 2010-2011.

81. Starting of MD(Ophthalmology) course at Katuri Medical College & Hospital, Guntur u/s 10 A of the Indian Medical Council Act, 1956.

Read: the Compliance report along with Council Inspector's report (October 2009) on the physical and other teaching facilities available at Katuri Medical College & Hospital, Guntur under Dr. NTR University of Health Sciences, Vijaywada for starting of MS(Ophthalmology) course u/s 10 A of the IMC Act, 1956.

The postgraduate committee observed that in the Standard Inspection Form (SIF) signed by the Dean and submitted by the institute at the inspection of October 2009, the academic qualification of Dr. K.S.N. Rao was mentioned as M.S. (Ophthalmology) from Kurnool Medical College. As it is not a recognized postgraduate degree, it was decided to recommend to the Central Govt. not to issue Letter of Intent. This decision was communicated to the institute vide Council letter dt. 3.11.2009. Vide letter dt. 13.11.2009, the institute has clarified that due to inadvertent typographical error, the academic qualification of Dr. Rao was mentioned as from Kurnool Medical College while in fact he has acquired M.S. (Ophthalmology) from Armed Forces Medical College, Pune which is a recognized postgraduate degree. The certificate from Armed Forces Medical College and from University of Poona were also attached which were duly verified.

In view of above, and as the postgraduate degree acquired by Dr. K.N. Rao is a recognized qualification, the Postgraduate Committee considered the clarification from the institute along with Council Inspector's report (October 2009) and decided to recommend to the Central Govt. to issue Letter of Permission for starting of MS(Ophthalmology) course at Katuri Medical College & Hospital, Guntur under Dr. NTR University of Health Sciences, Vijaywada u/s 10A of the IMC Act, 1956 prospectively i.e. from the academic session 2010-2011 restricting the number of admission to 2(Two) students per year, till the first batch admitted appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

82. Increase of seats in MD (Community Medicine) at Jawaharlal Nehru Medical College, Sawangi, Meghe, Wardha, u/s 10 A of the Indian Medical Council Act, 1956.

Read: the Compliance report along with Council Inspector's report (September 2009) on the physical and other teaching facilities available at Jawaharlal Nehru Medical College, Sawangi, Meghe, Wardha under Datta Meghe Institute of Medical Sciences University, Maharashtra for increase of seats in MD(Community Medicine) u/s 10 A of the Indian Medical Council Act, 1956.

The Postgraduate Committee considered the compliance report along with Council Inspector's report (September 2009) and decided to recommend to the Central Govt. to issue Letter of Permission for increase of seats in MD(Community Medicine) course at Jawaharlal Nehru Medical College, Sawangi, Meghe, Wardha under Datta Meghe Institute of Medical Sciences University, Maharashtra u/s 10A of the I.M.C. Act, 1956 prospectively i.e. from the academic session 2010-2011 from 2(Two) to 3(Three) students per year till the first batch admitted against the increased number appears in the final examination of the said course. The institution be advised to apply for recognition of the qualification for the additional increased intake at the time of first available examination as per the provision of Section 11(2) of the IMC Act, 1956.

83. Starting/Increase of seats Postgraduate course u/s 10 A of the Indian Medical Council Act, 1956- consideration of the Central Govt. letter dated 28/10/2009-regarding

Read: the Central Govt. letter dated 28/10/2009 with regard to consideration of request for starting/increase of seats in various Postgraduate courses at (i) PES Institute of Medical Sciences & Research, Kuppam (ii) Narayana Medical College, Nellore, Andhra Pradesh and (iii) Mahatma Gandhi Mission Medical College, Navi Mumbai u/s 10 A of the Indian Medical Council Act, 1956.

The Postgraduate Committee considered the Central Govt. letter dated 28/10/2009 with regard to consideration of request for starting/increase of seats in various Postgraduate courses at (i) PES Institute of Medical Sciences & Research, Kuppam (ii) Narayana Medical College, Nellore, Andhra Pradesh and (iii) Mahatma Gandhi Mission Medical College, Navi Mumbai u/s 10 A of the Indian Medical Council Act, 1956 and noted that Council has received application for starting/increase of seats in following medical colleges during the year 2009:-

S.No.	Name of the College	Courses
1.	PES Institute of Medical Sciences & Research, Kuppam	Starting of 1. MD(Pharmacology) Increase of seats in 1. MD(General Medicine) 2. MS (General Surgery) 3. MS (Orthopaedics) 4. MD (Anaesthesia) 5. MD (Radiology)

4.	Vinayaka Mission's Kirupananda Variyar Medical college & Hospitals, Salem	Starting of 1. MS(Anatomy)

Since the Consent of Affiliation in respect of the above courses was not enclosed with the proposals submitted by the colleges the same was returned to the Central Govt. for taking further necessary action in the matter.

Now, the Central Govt. vide letter dated 28/10/2009 and 13/11/2009 has informed that the Consent of Affiliation from Dr. NTR University of Health Sciences, Vijaywada and the Essentiality certificate issued by the Govt. of Maharashtra was forwarded to Medical Council of India vide Ministry's letter dated 31/07/2009. They have enclosed another copy of the Consent of Affiliation for taking further necessary action in the matter.

In view of above, the Postgraduate Committee decided to process the applications of the above mentioned courses in respect of the above mentioned 3 colleges.

84. **Recognition of DRM course under Homi Bhabha National Institute (deemed Uni.) at the Radiation Medicine Centre BARC located in Tata Memorial Centre Mumbai.**

Read: the letter dated 18/11/2009 received from Dean, Homi Bhabha National Institute (deemed Uni.) with regard to recognition of DRM course at the Radiation Medicine Centre BARC located in Tata Memorial Centre Mumbai.

The Postgraduate Committee considered the letter dated 18/11/2009 received from Dean, Homi Bhabha National Institute (deemed Uni.) with regard to recognition of DRM course conducted at Bhabha Atomic Research Centre located in Tata Memorial Centre, Mumbai and noted that DRM qualification is already recognized under Mumbai University in respect of students being trained at Tata Memorial Centre, Mumbai and now under Homi Bhabha National Institute (deemed Uni.).

The Postgraduate Committee observed that the General Body of the Council at its meeting held on 10.03.2007 while considering the matter of recognition of DRM qualification under Homi Bhabha National Institute (Deemed University) had decided as under:-

“The Postgraduate Committee considered the letter dt.09.11.2006 and noted that DRM qualification already stands recognized under Mumbai University and included in the 1st Schedule to the I.M.C. Act, 1956 and now the matter is under consideration for recognition of the said qualification under Homi Bhabha National Institute (Deemed University) being the change of name of University, decided to recommend that DRM qualification granted by Homi Bhabha National Institute (Deemed University) in respect of students being trained at Tata Memorial Centre, Mumbai be recognized and included in the 1st Schedule to the I.M.C. Act, 1956.”

The Postgraduate Committee further observed that the Executive Committee at its meeting held in June, 1988 while considering a similar matter had decided as under:-

“No inspection is required where there is change of name and change of affiliation of the University or the college whose medical qualifications are already recognized and included in the 1st Schedule to the I.M.C. Act, 1956 unless the Executive Committee decides otherwise.”

In view of above, the Postgraduate Committee decided that DRM qualification conducted at Bhabha Atomic Research Centre be recognized under Homi Bhabha National Institute (Deemed University) and included in the 1st Schedule to the I.M.C. Act, 1956 and forward to the Govt. of India for appropriate notification of the same.
