The Chairman welcomed the members of the Postgraduate Medical Education Committee.

Leave of absence was received from Prof. (Dr.) Dhruba Jyoti Borah, Member, Dr. Deelip Govindrao Mhaisekar, Member.

1. Minutes of the last meeting of the Postgraduate Medical Education Committee – confirmation of.

The minutes of the Postgraduate Medical Education Committee meeting held on 29th & 30th January, 2016 were read out and confirmed in the meeting itself. However, against Item No. 27 the number of seats be read corrected as 3(Three) to 4(Four) instead of 2(Two) to 4(Four) for increase of seats in MD (Anaesthesia) course at Bharati Vidyapeeth Deemed University Medical College & Hospital, Sangli, Maharashtra.

2. Minutes of the last meeting of the Postgraduate Medical Education Committee – action taken thereon.

The Postgraduate Medical Education Committee noted & approved the action taken on the minutes of the previous meeting of the Postgraduate Medical Education Committee.

The Postgraduate Medical Education Committee considered the resolution of the General Body of the Council dated 26th & 27th March, 2015 and resolved that in case of Universities whose PG degree of that subject is already recognized, 11(2) inspection for recognition of increased seats need not be held on the day of examination. However, assessment of the concerned college for infrastructure and other teaching facilities in the institution concerned should be carried out two months before or after the examination and recommendations for recognition of increased seats should be based on the outcome of that report.

The Postgraduate Medical Education Committee resolved that in future the agenda items for consideration of 11(2) reports should also have a copy of 10A report vide which Letter of Permission was granted for the seats under consideration.

The Postgraduate Medical Education Committee considered Postgraduate Medical Education Regulations, 2000 as amended vide notification dated 09/12/2009 i.e. *"Further provided that no teacher shall be considered as a postgraduate teacher in any other institution during the period till the postgraduate course at the institute which has been granted permission considering him as a postgraduate teacher is recognized u/s 11(2) of the Indian Medical Council Act, 1956."* and decided that a circular be sent to all the college quoting the above regulation and intimating that it will be implemented strictly from the next academic year. No PG teacher will be considered if a PG student has been admitted considering him as a faculty during the last 03 years in any other college.

3. Rajiv Gandhi University of Health Sciences, Bangalore - Recognition of MD/MS(Anatomy) qualification for 02 seats in respect of students being trained at Adichunchanagiri Institute of Medical Sciences, Balagangadharanath Nagar.

Read: the Council Assessor's Report (May, 2015) on the standard of examination and other teaching facilities for Recognition of MD/MS(Anatomy) qualification for 02 seats at Adichunchanagiri Institute of Medical Sciences, Balagangadharanath Nagar granted by Rajiv Gandhi University of Health Sciences, Bangalore.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MD/MS(Anatomy) qualification for 02 seats granted by Rajiv Gandhi University of Health Sciences, Bangalore in respect of students being trained at Adichunchanagiri Institute of Medical Sciences, Balagangadharanath Nagar because of the following facts:-

1. The column of stipend by State Govt. to Residents is left blank. Stipend paid by institute to I/II/III year Residents is only Rs. 7,000; Rs. 8,000 & Rs. 9,000 p.m. which is less than that paid by Govt. of Karnataka to Residents & is contrary to PG Medical Education Regulations, 2000.
2. Embryology, Neuro Anatomy & Immunology laboratories are not available.
3. Digital Image Analyzer is not available.
4. Academic parameter like Journal Club (11/year), Group Discussions (10 in no.) are inadequate.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per

provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

4. Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh - Recognition of MD(T.B. & Respiratory Diseases) qualification against increased intake from 06 to 08 seats in respect of students being trained at Andhra Medical College, Visakhapatnam.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (May, 2015) and decided to recommend not to recognize MD(T.B. & Respiratory Diseases) qualification against increased intake from 06 to 08 seats granted by Dr. NTR University of Health Sciences, Vijayawada, Andhra Pradesh in respect of students being trained at Andhra Medical College, Visakhapatnam because of the following facts:-

1. Deficiency of faculty: (a) Asso. Prof.: 1.
2. Shortage of Residents: (a) Senior Residents: 2. Dr. K. Kanyalaxmi, shown as Senior resident in Unit III is Senior Resident / CAS and therefore cannot be considered as Senior Resident. Unit IV has no Senior Resident.
3. There are 4 Units. Unit IV has only 2 faculty & therefore cannot be considered as PG Unit.
4. OPD on day of assessment is only 62 and bed occupancy was 52.5%.
5. Total number of patients in OPD has decreased from 39,663 in 2012 to 35,135 in 2014.
6. 3 Publications quoted but no full reference of any of them given. There are no author names.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 06 to 08 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

4. Daily average workload of victims of sexual offences (0.66/day), of accused of sexual offences (1/day), age estimation of victims (0.33/day), pregnancy certification (0.33/day) is low.
5. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 06 seats till renewal of their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely renewal of recognition as required shall invariably result in stoppage of admissions to the concerned Post Graduate Course. This is also clarified in the letter of recognition granted u/s 11(2) of the IMC Act, 1956 issued for these seats, which reads as under:

"...the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

Note: Although there are 6 seats recognized, there is only 1 Professor & 3 Asst. Prof. who have > 5 years experience eligible as PG teachers; hence total of maximum 5 seats can be allocated. However, the college is admitting 9 seats (3 degree and 6 diploma), which is not permissible and therefore, you are called upon to submit the reply as to why directions for stoppage of admissions in Postgraduate Courses Diploma and Degree in Forensic Medicine be not issued from academic year 2016-2017.

The reply to this Show-Cause must reach to the office of the Council within a period of 15 days from the issue of the Notice failing which the Council may decide the matter on the basis of available material.

The Postgraduate Medical Education Committee further decided that the recognition so granted shall be for a maximum period of 5 years from the date of Notification upon which the Institute shall have to apply for renewal of recognition. Failure to seek timely renewal of recognition as required shall invariably result in stoppage of admission to the Postgraduate Course.

106. King George's Medical University, Lucknow, Uttar Pradesh - Recognition of M.Ch(Gastroenterology Surgery) qualification for 2 seats in respect of students being trained at Command Hospital, Lucknow.

Read: the Council Assessor's Report (July, 2015) on the standard of examination and other teaching facilities for Recognition of M.Ch(Gastroenterology Surgery) qualification for 2 seats at Command Hospital, Lucknow granted by King George's Medical University, Lucknow, Uttar Pradesh.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (July, 2015) and decided to recommend not to recognize M.Ch(Gastroenterology Surgery) qualification for 2 seats granted by King George's Medical University, Lucknow, Uttar Pradesh in respect of students being trained at Command Hospital, Lucknow because of the following facts:-

1. The only Unit has 20 teaching beds & 10 non-teaching beds. It is not clarified whether there is separate staff for non-teaching beds.
2. Average daily OPD is only 10.
3. Col. K.J. Singh, Professor & HoD neither have M.Ch. (Surgical Gastroenterology) nor 2 years special training in Surgical Gastroenterology (No certificate from Dean/ Director of G.B. Pant Hospital). Command Hospital, Eastern Command, Kolkata does not have recognized department of Surgical Gastroenterology. Hence, his experience as Asst. Professor there cannot be counted.
4. Col. Dr. A. Bhalla worked as Asst. Professor at Chandimandir, which does not have recognized Surgical Gastroenterology department.
5. There is no ICU for Surgical Gastroenterology.
6. Examination details, SAF Part-IV not provided.
7. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. 02 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

107. Dr. Ram Manohar Lohia Avadh University, Faizabad - Recognition of MD(General Medicine) qualification against increased intake from 4 to 5 Seats in respect of students being trained at Era's Lucknow Medical College, Lucknow.

Read: the Council Assessor's Report (August, 2015) on the standard of examination and other teaching facilities for Recognition of MD(General Medicine)

qualification against increased intake from 4 to 5 Seats at Era's Lucknow Medical College, Lucknow granted by Dr. Ram Manohar Lohia Avadh University, Faizabad.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (August, 2015) and decided to recommend not to recognize MD(General Medicine) qualification against increased intake from 4 to 5 Seats granted by Dr. Ram Manohar Lohia Avadh University, Faizabad in respect of students being trained at Era's Lucknow Medical College, Lucknow because of the following facts:-

1. Promotion of Dr. Vaibhav Shukla, Asso. Prof. is not as per Regulations as he has been promoted with experience of only 4 years 10 months as Asst. Prof. without benefit of publications against requirement of 5 years; hence he cannot be considered.
2. Resultantly, there is no Asso. Prof. in Unit 1 and faculty complement in that Unit is incomplete & it cannot be considered as PG Unit.
3. Promotion of Dr. M.S. Siddiqui is not as per Regulations as he has been promoted as Asso. Prof. with experience of only 4 years 1 month as Asst. Prof. against requirement of 5 y; hence he cannot be considered.
4. Promotion of Dr. Zeba Siddiqui, Asso. Prof. is not as per Regulations as she has been promoted with experience of only 4 years 6 months as Asst. Prof. against requirement of 5 y; hence she cannot be considered.
5. Resultantly, there is only 1 faculty in Unit 2 & it cannot be considered as a teaching Unit.
6. Promotion of Dr. Ritu Karoli is not as per Regulations as she has been promoted as Professor with experience of only 3 years as Asso. Prof. against requirement of 4 years & benefit of publications is not given; hence she cannot be considered.
7. Academic parameter like Group Discussions is inadequate.
8. College got LoP on 23/03/2001, Dr. Sharad Kumar given experience from 01/08/2000, which is not permissible. Resultantly, his promotion from Asst. Professor to Assoc. Professor is not as per Regulations and Unit-V is left with only 3 Asst. Professors.
9. Year of passing M.D. is not given in Faculty Table in case of most faculty members.
10. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 4 to 5 seats after the first batch appeared in Examination till their recognition will be irregular/illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. 120. King George's Medical University, U.P. Lucknow - Recognition of DGO(Diploma in OBG) qualification against increased intake from 4 to 9 seats in respect of students being trained at King George's Medical University, U.P. Lucknow.

Read: the Council Assessor's Report (October, 2015) on the standard of examination and other teaching facilities for Recognition of DGO(Diploma in OBG) qualification against increased intake from 4 to 9 seats at King George's Medical University, U.P. Lucknow granted by King George's Medical University, U.P. Lucknow.

The Postgraduate Medical Education Committee considered the Council Assessor's Report (October, 2015) and decided to recommend not to recognize DGO(Diploma in OBG) qualification against increased intake from 4 to 9 seats granted by King George's Medical University, U.P. Lucknow in respect of students being trained at King George's Medical University, U.P. Lucknow because of the following facts:-

1. Total number of Minor operations has decreased from 7,346 in 2012 to 5,180 in 2014.
2. There are only 17 beds in Casualty against requirement of 30.
3. There are 274 beds in 5 Units – i.e. 55 beds/Unit which is contrary to Regulations.
4. Academic parameter like Theory Classes (08 in no.), Clinical Seminars (09 in no.), Journal Clubs (03 in no.), Case Presentations (13 in no.), Group Discussions (09 in no.) are inadequate.
5. Promotion of Dr. Anjoo Agarwal, Professor as Asso. Prof. is not as per Regulations as she has been promoted as Asso. Prof. with experience of only 4 years as Asst. Prof. against requirement of 5 years as per Regulations; hence she can be considered as faculty.
6. Promotion of Dr. Amita Pandey, Professor as Asso. Prof. is not as per Regulations as she has been promoted as Asso. Prof. with experience of only 4 years as Asst. Prof. against requirement of 5 years as per Regulations; hence she can be considered as faculty.
Promotion of Dr. Nisha, Professor as Asso. Prof. is not as per Regulations as she has been promoted as Asso. Prof. with experience of only 4 years as Asst. Prof. against requirement of 5 years as per Regulations; hence she can be considered as faculty.
7. Promotion of Dr. Sabuhi Qureshi, Professor as Asso. Prof. is not as per Regulations as she has been promoted as Asso. Prof. with experience of only 4 years as Asst. Prof. against requirement of 5 years as per Regulations; hence she can be considered as faculty.
8. Promotion of Dr. Sujata, Professor as Asso. Prof. is not as per Regulations as she has been promoted as Asso. Prof. with experience of only 4 years as Asst. Prof. against requirement of 5 years as per Regulations; hence she can be considered as faculty.
9. Promotion of Dr. P.L. Sankhwar, Professor as Asso. Prof. is not as per Regulations as she has been promoted as Asso. Prof. with experience of only 4 years as Asst. Prof. against requirement of 5 years as per Regulations; hence she can be considered as faculty.
10. Promotion of Dr. Renu Singh, Professor as Asso. Prof. is not as per Regulations as she has been promoted as Asso. Prof. with experience of only 4 years as Asst. Prof. against requirement of 5 years as per Regulations; hence she can be considered as faculty.
11. Dr. Pooja Gupta has been shown as "Professor" in the column of "Designation"; however, in the column of experience, her experience is

shown as Asst. Prof. from 05/07/2013 till date. Further, as she has NIL experience as Asso. Prof., she could not have been promoted as Professor.; hence she cannot be considered as faculty.

12. Resultantly, there is deficiency of faculty: (a) Asst. Prof.: 7.
13. Promotion of Dr. Urmila Singh, Professor is not as per Regulations. She was Asst. Professor for 4 years against the requirement of 5 years without any publications.
14. Other deficiencies as pointed out in the Assessment Report.

Admissions done (if any) against these seats i.e. increased intake from 4 to 9 seats after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.

Admissions done (if any) against these seats i.e. 01 seat after the first batch appeared in Examination till their recognition will be irregular/ illegal and not in accordance with MCI regulations (notified with prior permission of Central Government vide notification dated 21/07/2009) and will not be recognized. As per provisions of the Postgraduate Medical Education Regulations, 2000, failure to seek timely recognition as required shall invariably result in stoppage of admission to the concerned Post Graduate Course. This is also clarified in the letter of permission granted u/s 10A of the IMC Act, 1956 issued for these seats, which reads as under:

"This permission for starting/ increase of seats in the above course and admission of students will be till such time the first batch of students admitted against the above course appears for the first final examination in the subject."

In case, the college authorities desire to submit compliance, same should be received in this office preferably within six weeks of issue of this letter but definitely, prior to next admission so that the matter of recognition can be finally decided. If no compliance is received within this period or compliance/ compliance verification is found unsatisfactory, it will result in stoppage of admission to the postgraduate course against the above mentioned seats.
