National Medical Commission (NMC) Achieves Prestigious WFME Recognition Status for 10 Years

The National Medical Commission (NMC), India, is proud to announce its momentous achievement of being awarded the coveted World Federation for Medical Education (WFME) Recognition Status for a remarkable tenure of 10 years. This prestigious recognition is a testament to NMC's unwavering commitment to the highest standards in medical education and accreditation.

In the words of Dr. Yogender Malik, Member of the Ethics and Medical Registration Board and Head Media Division at NMC, "WFME's recognition underscores that the quality of medical education in India adheres to global standards. This accolade empowers our students with the opportunity to pursue their careers anywhere in the world, while also making India an attractive destination for international students due to our globally recognized standards."

As part of this recognition, the WFME will be presenting an official award letter and a recognition certificate in the coming days. Furthermore, WFME plans to share this outstanding achievement across its social media platforms, ensuring that this milestone reaches a global audience.

The NMC extends its heartfelt gratitude to WFME for this esteemed recognition and looks forward to continuing its pursuit of excellence in medical education for the benefit of all stakeholders.
