Dear Dr Gangadhar

I am writing to address a matter of utmost importance concerning healthcare professional's engagement in research related to electronic cigarettes (e-cigarettes) and heated tobacco products (HTPs).

2. As you are aware, the Prohibition of Electronic Cigarettes (Production, Manufacture, Import, Export, Transport, Sale, Distribution, Storage, and Advertisement) Act, 2019 (PECA 2019), has unequivocally banned the use of e-cigarettes, HTPs and like devices in India. In light of this, it is imperative that all healthcare professionals affiliated with the National Medical Commission (NMC) and the Indian Medical Association (IMA) refrain from initiating or participating in any research activities related to e-cigarettes and HTPs without obtaining the necessary approvals from the Dte.GHS and MoHFW. In this regard, I would request that necessary instructions please be issued to all healthcare professionals affiliated with the National Medical Commission (NMC) and the Indian Medical Association (IMA).
3. I trust that the NMC and IMA can play a pivotal role in disseminating this directive among their members, emphasizing the gravity of adherence to the ban on e-cigarettes and HTPs, and promoting responsible research within the healthcare community.
4. I thank you for your anticipated cooperation commitment to maintaining the highest standards of healthcare practice and research in our country.

With Warm Personal Regards,

Yours sincerely,

Atul Goel
